

Don't Worry - Mash Up

Young Voices 2023

Three little birds

Don't worry 'bout a thing,
'cos every little thing 's gonna be alright.

Don't worry 'bout a thing,
'cos every little thing 's gonna be alright.

Woke up this morning, smile with the rising sun.

Three little birds stopped by my window,
Singing sweet songs of melodies pure and true.

This is my message to you-ou-ou.

A faint, stylized illustration of three birds perched on a branch, rendered in a light purple or lavender color. The birds are positioned behind the text, with one on the left, one in the center, and one on the right. The background is a soft, horizontal gradient transitioning from pink on the left to yellow in the middle to light green on the right.

Don't worry 'bout a thing,
'cos every little thing 's gonna be alright.

Don't worry 'bout a thing,
'cos every little thing 's gonna be alright.

Don't worry be happy
Here's a little song I wrote,
You might want to sing it note for note.
Don't worry, be happy!

In this life we have some trouble,
When you worry you make it double,
Don't worry, be happy!
Don't worry , be happy!
Doo's.....

Don't worry, be happy!

Doo's.....

Don't worry, be happy!

Doo's.....

Woke up this morning,
Smile with the rising sun.

Three little birds
Stopped by my window,
Singing sweet songs
Of melodies pure and true.

This is my message to you-ou-ou.

Don't worry 'bout a thing,

'cos every little thing

's gonna be alright.
