Year 5 Term 5 Week 1

Message from the class teacher

Hello Fisher Class! Even though we've had a bit of time away from each other now, it still feels very weird not seeing your happy faces! Mrs Austin and I miss you very much and we hope you're all staying safe at home.

I hope you're enjoying your home learning and this week we're starting to look at our new topic.

Thank you for your continued support by your dedication to completing work and to your adults at home supporting you – you're doing an amazing job! Hopefully we will see you very soon.

Miss Horton 😊

Reading

Hopefully you have access to books at home, but we have sent home extra books with your child.

Accelerated Reading

Home quizzing is not always recommended but in this case we have adjusted the settings to allow quizzing to happen at home.

If your child wants to read a book from home, please check that there is a quiz available for the book and that the book level (BL) is within or near to your child's reading range. Also take note of the quiz number for future reference.

To check books please visit: <https://www.arbookfind.co.uk/>

AR Quiz Types: RP, RV, VP

Go to the next page
for how to quiz.

AR quizzing at home.

To log into AR to take a quiz please visit: <https://ukhosted27.renlearn.co.uk/2240835/>

Your child should know what to do from here and should know their login details. If they are not aware, most details are written in their reading record.

Click on Accelerated reader.

Type in the name the book or the quiz number.

We advise students complete quizzes unaided. If parents/carers wish to support their child, they can do so in the following ways:

- Discuss the book with your child as the book is being read
- Ask your child to read the question out loud
- Re-word questions for your child, if necessary
- Ask your child which answers are **not** correct

Using My Maths

Children should know their way round My Maths but here are some reminders on how access the lessons. Visit: www.mymaths.co.uk

Using My Maths

The image shows the 'My Maths' website interface. The main header includes a logo, 'Log out', 'Help', 'Assessment Manager', and a 'Search...' bar. The left sidebar has a 'Select Curriculum' dropdown set to 'National Curriculum (Eng)', a 'Library' section with 'Latest' selected, and a list of topics: Number, Measurement, Geometry, Statistics, Booster packs, and fSkills. The main content area is titled 'Latest' and shows a 'KS2 SATs booster' section with a 'Bar model' and 'Number' sub-sections. Below this is a 'Measurement' section with a 'Geometry' sub-section. A 'Worksheet' button is visible. The right side of the main content area lists 'Y6 Arithmetic assessment 1' and 'Y6 Arithmetic assessment 2'. A login overlay is shown on the right, with fields for 'My portal username' and 'My portal password', a 'Log in' button, and a link for 'Assessment Manager log in'. Red arrows point from the 'Search...' bar, the 'Measurement' section, the 'Geometry' section, and the 'Assessment Manager log in' link to the login overlay.

Access any lesson based on what your child is learning in class or search the topic in the search bar.

Use the login portal to access specific homework and lessons that your teacher has set.

Maths – White Rose Home Learning

In school we follow the White Rose scheme of learning. Their website has put together free lessons and resources that link to the learning taking place in school. Please visit:

<https://whiterosemaths.com/homelearning/>

The screenshot shows the White Rose Maths website's 'Home Learning' section. At the top is a navigation bar with links: 'Resources', 'Professional Development', 'Home Learning' (highlighted in red), 'Who We Are', and 'News'. Below the navigation bar is a large image of a hand interacting with a tablet displaying a math problem '42 ÷ 3 ='. The tablet screen shows a 'Solve...' section with a 'Model' area containing a grid of circles and a 'Calculations' area showing the number '14'. Below the image is a dark blue banner with the text 'Home Learning'. Underneath the banner, the heading 'Hello there, Parents and Carers!' is followed by a paragraph of text.

Home Learning

Hello there, Parents and Carers!

As schools worldwide close for now in response to COVID-19, you might be wondering how best to help your child or children with their studies at home.

Always happy to help, the White Rose Maths Team has prepared a series of five brand new maths lessons for each year group from Years 1-8. Every lesson comes with a short video showing you clearly and simply how to help your child to complete the activity successfully.

Accessing Twinkl

Many educational content providers are offering free access to their resources. Twinkl is a website that we use from time to time to resource our lessons to aid in teacher input and pupil activities.

We will be able to direct you towards activities and learning via this website based on lessons that may be missed due to absence. To access Twinkl please visit:

www.twinkl.co.uk/offer

You will have to sign up and put in the offer code: **UKTWINKLHELPS**

The screenshot shows the Twinkl website interface. At the top, there is a blue header with the Twinkl logo, a search bar with the text 'Search 500,000+ resources', and links for 'Membership', 'Sign In', and 'Join'. Below the header, there is a navigation bar with links for 'Planning', 'Curriculum Aims', 'EYFS', 'KS1', 'KS2', 'KS3/4', 'SEND', 'EAL', and 'Create'. The main content area is divided into two sections: 'Already a member?' and 'New to Twinkl?'. The 'Already a member?' section has a sign-in form with fields for 'Username or Email:' and 'Password:', and a 'Subscribe now!' button. The 'New to Twinkl?' section has a sign-up form with fields for 'Email address:', 'Password:', 'Occupation:' (a dropdown menu), and 'Offer Code', and a 'Signup & Subscribe now!' button. A red arrow points from the 'Offer Code' field in the 'New to Twinkl?' section to the 'UKTWINKLHELPS' offer code mentioned in the text on the left.

Topic

- This term, we would have started to look at the Anglo-Saxons for our new topic.
- We're going to start this topic in the same way we would have if we were in class. Write down as much as you can as answers for these two questions:

What do I already know about the Anglo-Saxons?

What would I like to find out? (What questions do I have?)

- We'll use these questions to drive our investigations into this fascinating time period!

English Learning

To link with our new topic, have a look at 'Ancient Treasures' (https://readon.myon.co.uk/reader/index.html?a=trhu_antrs_s13). This will begin to give you a look at how the Anglo-Saxons lived and what they were interested in.

Task: Research into the Staffordshire Hoard, as mentioned in the text. Create an information text about it for someone who does not know anything about the hoard – what would they want to know?

This will be a formal text type so imagine you are telling Mr Kelly about it, how would you speak to him?

Could you include any diagrams with labels to help your explanation?

Maths Learning

- Please complete the Summer Week 1 White Rose lesson 1 (<https://whiterosemaths.com/homelearning/year-5/>) . This lesson is on adding decimals.
- Use the activities and the videos to support your learning – there's answers too for you to self-mark or for an adult to mark!
- I have added some learning on My Maths to link with this, if you would like further practise.

P.E.

- It is important to keep your children active. If it is safe to do so, ensure they have some time outside throughout the day. Please visit **Joe Wicks** YouTube channel (<https://www.youtube.com/channel/UCAxW1XT0iEJo0TYIRfn6rYQ>), which has lots of exercise videos for children. He will also be hosting a live P.E. lessons Monday to Friday at 9:00am.

- Premier League Primary Stars are also sharing a range of activities to do at home. (https://plprimarystars.com/resources/train-like-a-footballer?utm_campaign=1880982_HL%20weekly%20email%2010.04.20&utm_medium=email&utm_source=edcoms&dm_i=3VTU,14BDI,5XRH5G,3XRD1,1#m-resource-2257-link)
