Year 5 Term 5 Week 2

Message from the class teacher

Week 2 already! We had a short first week of term 5, but I'm sure you still did some brilliant learning!

I hope you've found some areas of interest for our Anglo-Saxon topic. We'll be delving further into this time period in more depth through the term. I will be introducing you to our new text in the English tasks too!

This week, I've set some R.E. work alongside the maths and English work. We will be focusing on the R.E. work for a few weeks (so don't worry if you do not complete it as it will carry over) and this will be looking at our previous big question from class – Was Jesus the Messiah? We will be using our work on this to dig a bit deeper into our learning.

Keep up the great home learning and I am looking forward to being back in class with you very soon (fingers crossed!).

Miss Horton 😊

Reading

Hopefully you have access to books at home, but we have sent home extra books with your child.

Accelerated Reading

Home quizzing is not always recommended but in this case we have adjusted the settings to allow quizzing to happen at home.

If your child wants to read a book from home, please check that there is a quiz available for the book and that the book level (BL) is within or near to your child's reading range. Also take note of the quiz number for future reference.

To check books please visit: <https://www.arbookfind.co.uk/>

To log into AR to take a quiz please visit: <https://ukhosted27.renlearn.co.uk/2240835/>

Your child should know what to do from here and should know their login details. If they are not aware, most details are written in their reading record.

Click on Accelerated reader.

Type in the name the book or the quiz number.

We advise students complete quizzes unaided. If parents/carers wish to support their child, they can do so in the following ways:

- Discuss the book with your child as the book is being read
- Ask your child to read the question out loud
- Re-word questions for your child, if necessary
- Ask your child which answers are **not** correct

English Learning – Task 1

We are going to start looking at our new Anglo-Saxon text of Beowulf! As with any new text, I would like you to think about the potential narrative of this text.

Create a mind-map of things you notice about the text.

Then, using these clues, create a prediction sharing your ideas and why you think this could be what the story will be about.

Think about when I'm a bit silly in class – does this story look like it's going to be about Miss Horton's Christmas adventure? Probably not... so what can we identify that will help us create a sensible prediction?

English Learning – Task 2

Character Description:

On the cover of our new text, we can see our main character – Beowulf!

For task 2, I would like you to write a character description on about Beowulf. We currently can only do this on his physical appearance so think about the interesting adjectives you could use to describe what he looks like.

Think about the following descriptive techniques:

- Adjectives
- Similes
- Metaphors
- Personification
- Alliteration

Can you use any of these in your description?

English Learning – Task 3

Have a go at this spelling correction activity!

<https://www.twinkl.co.uk/resource/t2-e-2583-year-5-and-6-correct-th-spelling-mistakes-activity-sheets>

You don't necessarily need to print this, but could download it and then correct the sentences on paper. This is a good way to practise spelling words in context. An additional task to follow this could be to practise the ones that you didn't understand or you got incorrect. Perhaps you and an adult could test each other on the spellings!
