Year 1

Term 5 Week 2

Hello Year 1!

I hope you have had a good weekend and are ready for this week's learning. There are three English tasks, three White Rose Maths lessons to complete and an RE activity. Make sure you are also reading everyday (either books you have at home or books from the Oxford Owl website) and practising your Phonics with the PhonicsPlay website. You should also be writing regularly in your writing journal/diary.

It was my birthday this week and my best present was a pair of pink roller skates. I'm just off to the park to have a practice!

Love from Mrs Child

English Learning 1

I hope you enjoyed the story of The Bog Baby.

Today we are thinking about verbs. Remember that verbs are doing words that you can act out. In this story, the verbs are in the past tense and many use the –ed suffix to show this. Make a list of as many verbs with the –ed suffix that you can find in the text. Try and use five of them in sentences of your own.

You can use the attached powerpoint version of the story to help you spot them.

(There are also past tense verbs in the story that do not use the –ed suffix – maybe you could spot some of these too.)

squeaked
floated
stroked

English Learning 2

Can you make your own Bog Baby?

You could use plasticine, playdough, salt dough, a pompom, papier-mache, crumpled paper or a balloon filled with flour. You can find lots of inspiration if you Google “make a bog baby” or you can look at the authors website at

<http://jeannewillis.com/BogText1.html> .

English Learning 3

Your Bog Baby will also need somewhere to live – this could be a bucket or a margarine tub like in the story or you might have your own idea like a shoe box or a washing up bowl. Create a habitat for your Bog Baby.

Look after your Bog Baby. What does yours like to eat? What games do they like? Where do they sleep? What is their character like? Can you act out the story of how you found your Bog Baby and how you care for it?

Maths Learning 1, 2 and 3

This week we are looking at Multiplication and Division. Please go to the Year 1 Home Learning page on the White Rose website and complete Week 2, Lessons 3, 4 and 5.

(Don't feel you have to print out the worksheets, it won't hurt the children to copy out the whole answers!)

RE Learning

What do Christians believe that God is like?

Jonah and the Whale

Read the story of Jonah and the Whale from a children's Bible or watch the story at:

<https://www.youtube.com/watch?v=WOSadLyqshg>

Questions for discussion:

How do we know Jonah was a good man?

Why did God want Jonah to go to Nineveh?

Why did Jonah not want to go?

What might it feel like to be in a boat during a storm?

Activities:

- Draw the story of Jonah (you could use the Resource Sheet on the next page to help)
- Sing along to the Jonah Song
<https://www.youtube.com/watch?v=RlvuWMqAPTQ>
- Make a Jonah and a whale using a range of media
- Think of some questions you could ask Jonah about God.

THE STORY OF JONAH

God commanding
Jonah
to go to Nineveh

The storm

Jonah praying
inside the fish

Jonah leaving
the fish

Jonah going to
Nineveh

The people of
Nineveh changing
their ways

God saving
Nineveh

Jonah getting
cross

God explaining to
Jonah the importance
of being concerned for
the people and animals
of Nineveh

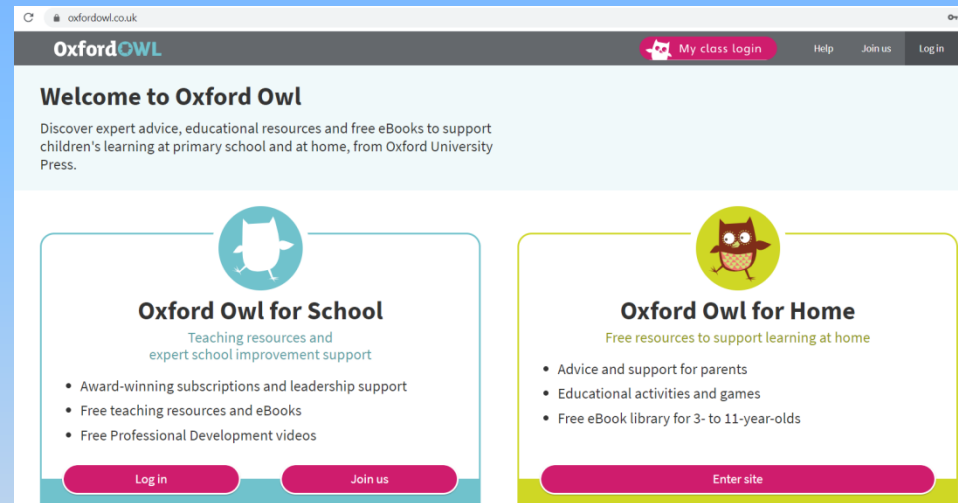

Reading

For additional reading at your child's level please use the Oxford Owl website where you can read books online and then complete comprehension activities about the books. Please continue to keep a record of the books they have read in their reading records.

Class login: temple20

Password: Bingbong

(If you are not sure of your child's level, please check in their reading record book or look at the coloured stickers on the additional reading books that have been sent home.)

Phonics

Please use the games and activities on the Phonicsplay website to continue practising Phonics.

Mrs Child's Phonics group are currently working on Phase 5c (alternative ways of writing sounds we already know e.g. ai, ay, a_e all make the same sound).

Mrs Smith's group are working on Phase 4.

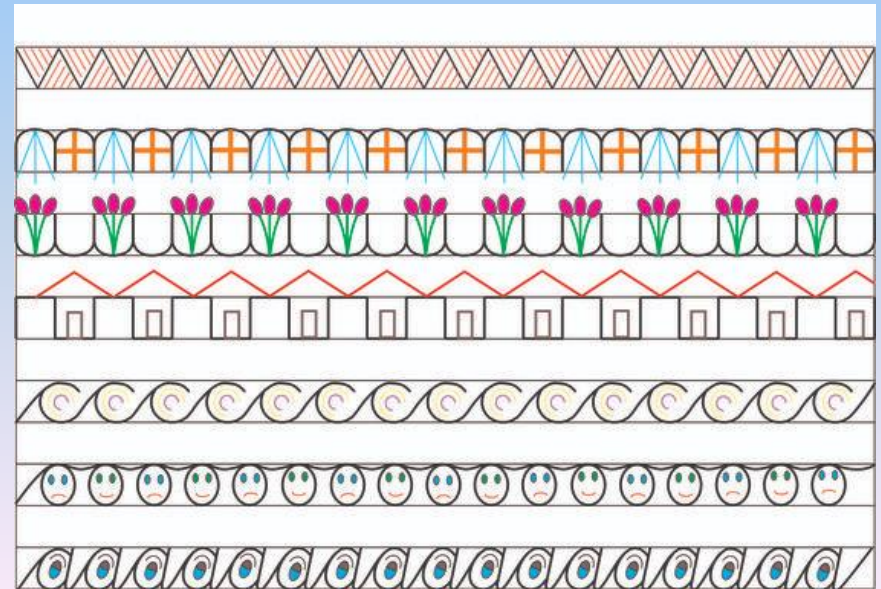

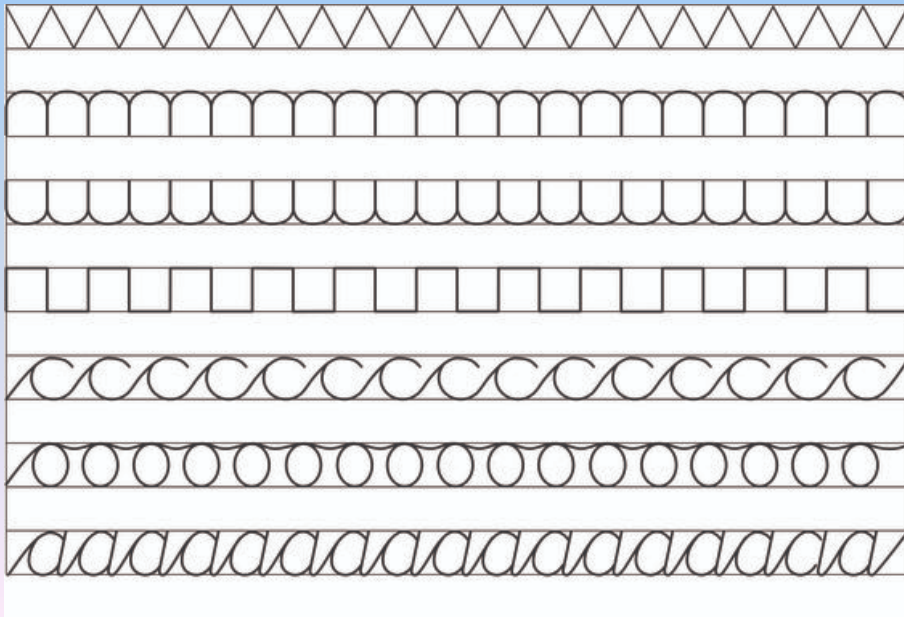

Additionally, there are many excellent Phonics resources on the Twinkl website(see below for how to get free access). Practising reading "alien words" is a particularly fun and valuable activity.

The screenshot shows the PhonicsPlay.co.uk website. At the top left is a green frog logo. To its right is the website name 'PhonicsPlay.co.uk' in large, colorful, reflective letters. Below the name is a search bar with a 'Search' button and a 'Google Custom Search' link. On the left side, there is a vertical navigation menu with buttons for 'Home', 'Phase 1', 'Phase 2', 'Phase 3', 'Phase 4', 'Phase 5', 'Phase 6', 'Teachers', 'Parents', and 'FAQ'. The main content area is titled 'Phase 5a Interactive Resources - Weeks 1-4'. It features four resource cards: 1. 'Tricky' (with a truck illustration) described as a 'Tricky word (and other HFW) flashcards game' for practicing reading tricky words. 2. 'Reading Robot' described as 'Quick reading tests with options including: phases, colours, numbers, Y's phonics check or words you enter yourself'. 3. 'Sentences Phase 5a' with a 'PLAY' button, described as 'Try reading new graphemes and tricky words in sentences. Links with daily plans. Great for: Applying'. 4. 'PICNIC on PLUTO' described as 'A version of "Buried Treasure". Blend to read the words on the snacks. Are they real or fake? Great for: Practising blending'. Each resource card has a small 'Teaching ideas for this resource' link at the bottom.

Writing

Your child has been provided with a writing journal. They are used to using them and know that they need to write the date, write a sentence (about anything they like), draw and colour a picture and then fill any spare lines with handwriting patterns.

P.E.

It is important to keep your children active. If it is safe to do so, ensure they have some time outside throughout the day. Please visit **Joe Wicks** YouTube channel

(<https://www.youtube.com/channel/UCAxW1XT0iEJo0TYlRfn6rYQ>), which has lots of exercise videos for children. He will also be hosting a live P.E. lessons Monday to Friday at 9:00am.

Using My Maths

Children should know their way round My Maths but here are some reminders on how to access the lessons. Visit: www.mymaths.co.uk

Using My Maths

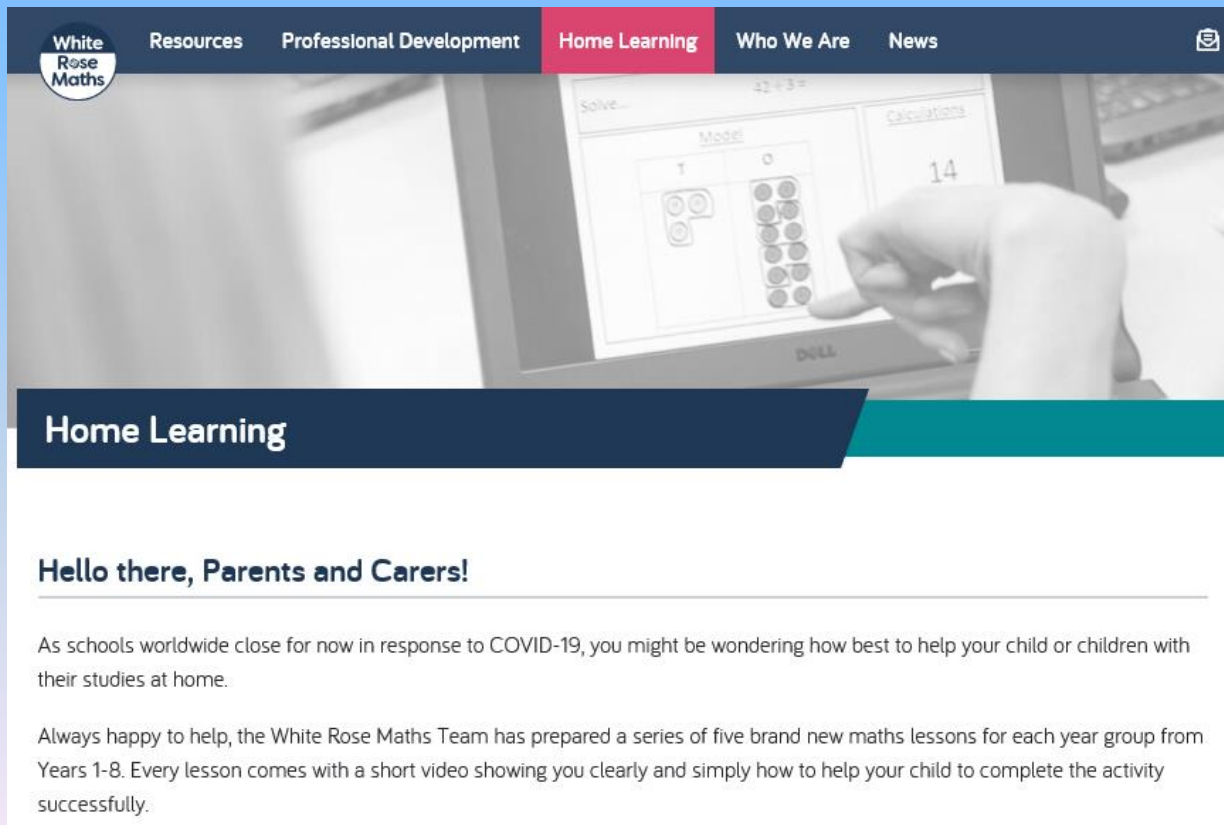

Access any lesson based on what your child is learning in class or search the topic in the search bar.

Use the login portal to access specific homework and lessons that your teacher has set.

Maths – White Rose Home Learning

In school we follow the White Rose scheme of learning. Their website has put together free lessons and resources that link to the learning taking place in school. Please visit:

<https://whiterosemaths.com/homelearning/>

The screenshot shows the White Rose Maths website's 'Home Learning' section. The top navigation bar includes links for 'Resources', 'Professional Development', 'Home Learning' (highlighted in red), 'Who We Are', and 'News'. Below the navigation bar is a large image of a hand interacting with a tablet displaying a math problem: $42 \div 3 =$. The tablet screen shows a 'Model' section with a grid of circles and a 'Calculations' section with the number 14. Below the image is a dark blue banner with the text 'Home Learning'. The main content area has a heading 'Hello there, Parents and Carers!' followed by two paragraphs of text.

Home Learning

Hello there, Parents and Carers!

As schools worldwide close for now in response to COVID-19, you might be wondering how best to help your child or children with their studies at home.

Always happy to help, the White Rose Maths Team has prepared a series of five brand new maths lessons for each year group from Years 1-8. Every lesson comes with a short video showing you clearly and simply how to help your child to complete the activity successfully.

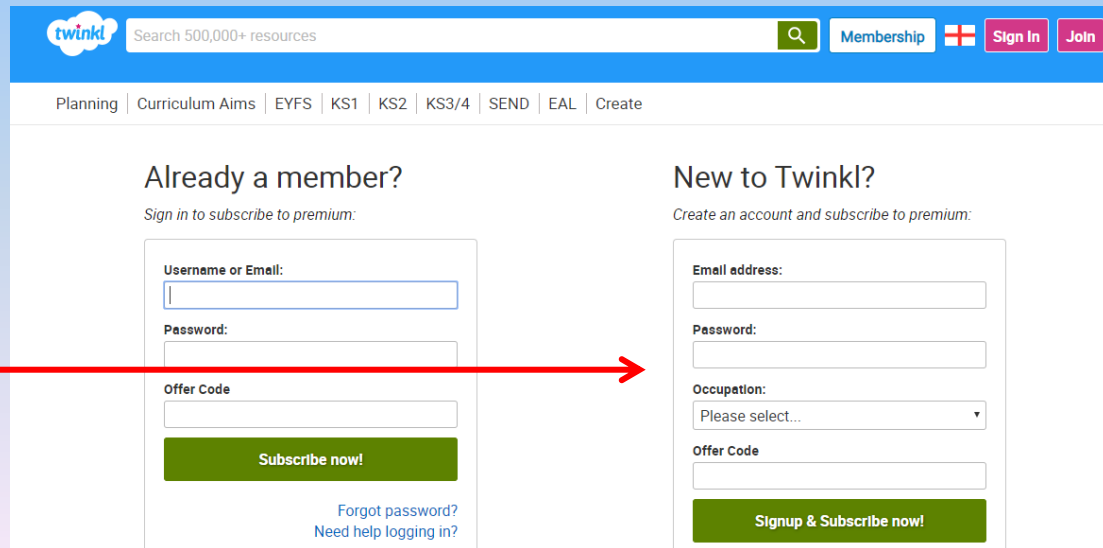

Accessing Twinkl

Many educational content providers are offering free access to their resources. Twinkl is a website that we use from time to time to resource our lessons to aid in teacher input and pupil activities.

We will be able to direct you towards activities and learning via this website based on lessons that may be missed due to absence. To access Twinkl please visit:

www.twinkl.co.uk/offer

You will have to sign up and put in the offer code: **UKTWINKLHELPS**

The screenshot shows the Twinkl website interface. At the top, there is a blue header with the Twinkl logo, a search bar with the text 'Search 500,000+ resources', and links for 'Membership', 'Sign In', and 'Join'. Below the header, there is a navigation bar with links for 'Planning', 'Curriculum Aims', 'EYFS', 'KS1', 'KS2', 'KS3/4', 'SEND', 'EAL', and 'Create'. The main content area is divided into two sections: 'Already a member?' and 'New to Twinkl?'. The 'Already a member?' section has a sign-in form with fields for 'Username or Email:' and 'Password:', and a 'Subscribe now!' button. The 'New to Twinkl?' section has a sign-up form with fields for 'Email address:', 'Password:', 'Occupation:' (a dropdown menu), and 'Offer Code', and a 'Signup & Subscribe now!' button. A red arrow points from the 'UKTWINKLHELPS' offer code in the text on the left to the 'Offer Code' field in the 'New to Twinkl?' section.
