

Hello and Welcome to Mrs Smith's Phonics Group Week 2 .

I hope you are all still staying safe, well and happy, I am missing you all. I am looking after Geraldine she is eating lots of salad and chocolate cake!

I know you have been working hard learning and revising the sounds we already know and our new Phase 5 graphemes and phonemes GPCs.

You could start your phonics learning daily with our alphabet song or to get you moving BBC Super Movers with Naomi Wilkinson <https://www.youtube.com/watch?v=jYeMpUdufNk>

Do as much as you can and have **Fun**. Love Mrs Smith xx

Please play this Power Point in slide show and keep clicking there are animations.

You could print this grid off and check what phonemes (sounds) to grapheme (written) you can recall daily. You could colour, tick or cover with counters, coins or pebbles the ones you can say using the **PURE SOUND**. If you don't want to print it off you could point to each sound and say using the **PURE SOUND**. Are you getting quicker maybe you could time yourself.

Dear Conroy,

I am full of joy! I have just been employed on Blackbeard's ship. No, not a toy ship... a real ship!

I am now a loyal sailor of the seven seas. I will eat oysters and shout "land ahoy!" from the top of the mast. I will not annoy Blackbeard or he will throw me off the boat!

I will enjoy my job on the boat but I think that I will miss you lots. It will be a joy to see you as I visit land.

Best wishes,

Dear Merlin,

I want to tell you all about my dance class! I think you would love it. All the girls and boys line up and when the music starts to play, we twirl and whirl! You should see the way my skirt swirls around as I dance!

Yesterday, a bird flew into the hall as we were learning our dance! The bird flapped and chirped, and made the hall very dirty. The bird even made the teacher's shirt dirty! "Look at your shirt, sir!" said one of the girls. It was very funny.

I hope you will come and see our swirly dance when it is finished!

Lots of love,

[illegible]

Dear Lorna,

I know how much you love our dog, Storm. You aren't going to believe what happened to her today! I was playing with Storm on the lawn, when suddenly she started limping. Soon, she couldn't even walk! We had to take her to the vet, wrapped in a shawl. The vet told us she had a thorn stuck in her paw. Poor Storm!

The vet was very kind and took out the thorn. He gave us some pills for Storm and mum put them in a drawer to keep them safe.

I think I will draw a picture of Storm to cheer her up. How is your pet bird? I hope she doesn't get anything stuck in her claws!

Lots of love,
