Tricky Words to Practise Reading and Spelling

In Year 1 all children learn to read and write a set of 'Tricky Words' which are used often in spoken and written language. These are words which cannot be sounded out so children must learn to read and spell them correctly. We have included the full list below so that you can support your child with this.

Fun ideas for Tricky Word practise:

- Play hangman or bingo with the words.
- Copy a word then cut it up. See if you can put it back in the right order, or challenge a friend to rearrange it!
- Count how many words you can read or write each week and see if you can beat your score! You could colour in the words when you've learned them.
- Make two sets of the words on bits of paper. Turn the sets face-down and see if you can find the matching pairs!
