Year R

Term 5 Week 1

Message from Mrs Coffey

Hi Everyone,

Hope you had a lovely Easter break and enjoyed the sunshine and yummy Easter eggs.

This term I will be setting some tasks each week for you to have a go at together. I hope you find these fun and interesting, and of course educational.

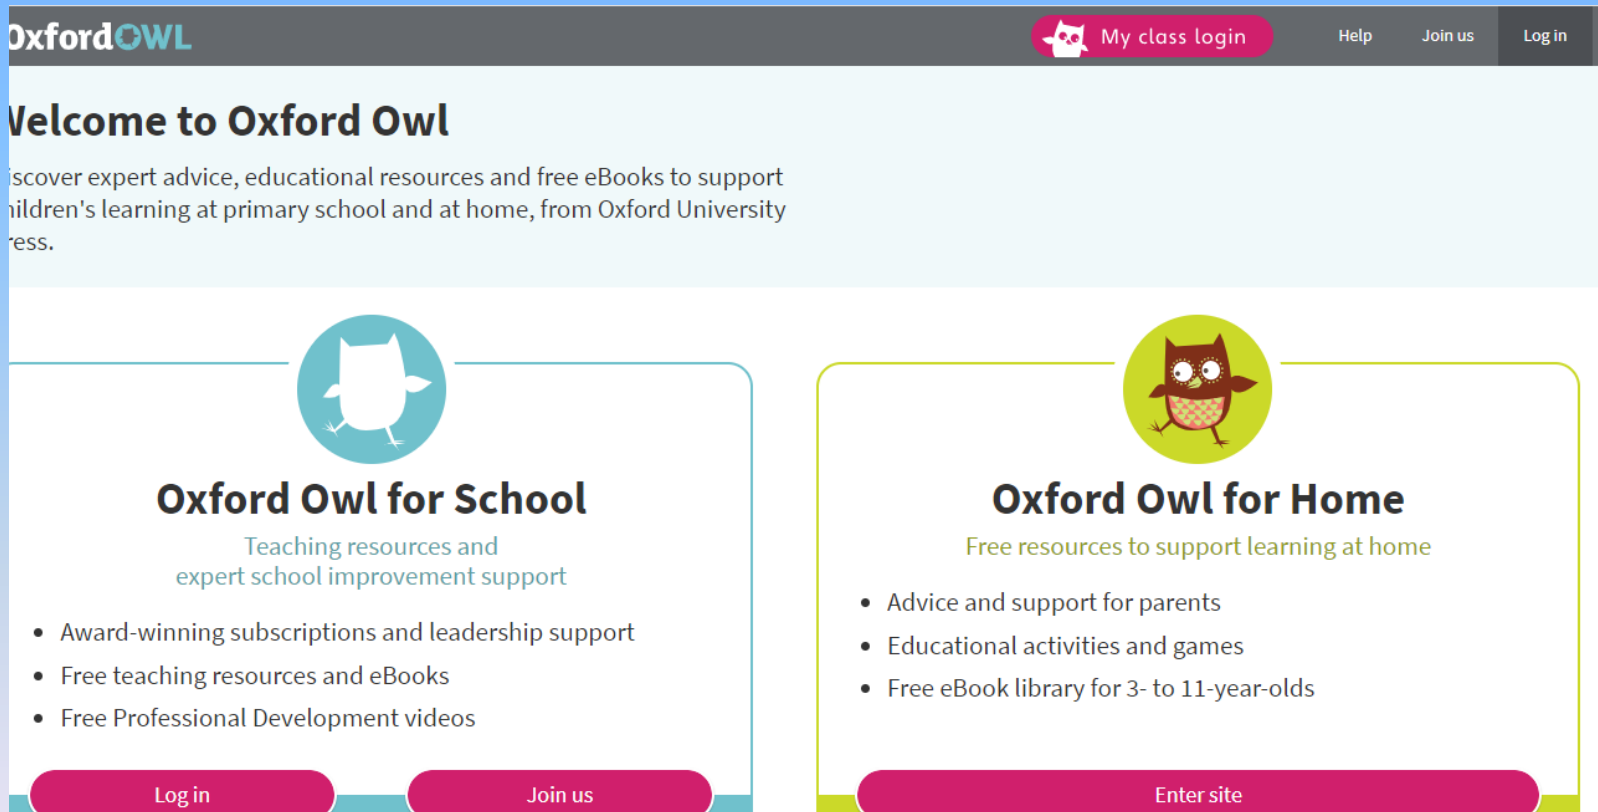

If you have any questions then I am contactable via Tapestry as usual. Mrs. Daly and I are looking forward to seeing all your lovely photos and comments again this term.

Take care and have fun.

Mrs. Coffey

English Learning

I would really love to hear about your Easter at home.

Please can you write me a sentence about your favourite part of your Easter break. Remember to use:

- a capital letter to start,
- finger spaces, and
- a full stop at the end.

If you want to challenge yourselves a bit more then add an extra sentence or include some joining words, such as 'and' or 'because'.

Then perhaps draw or paint a picture to go with it.

Treasure Map

Have a go at making your own treasure map.

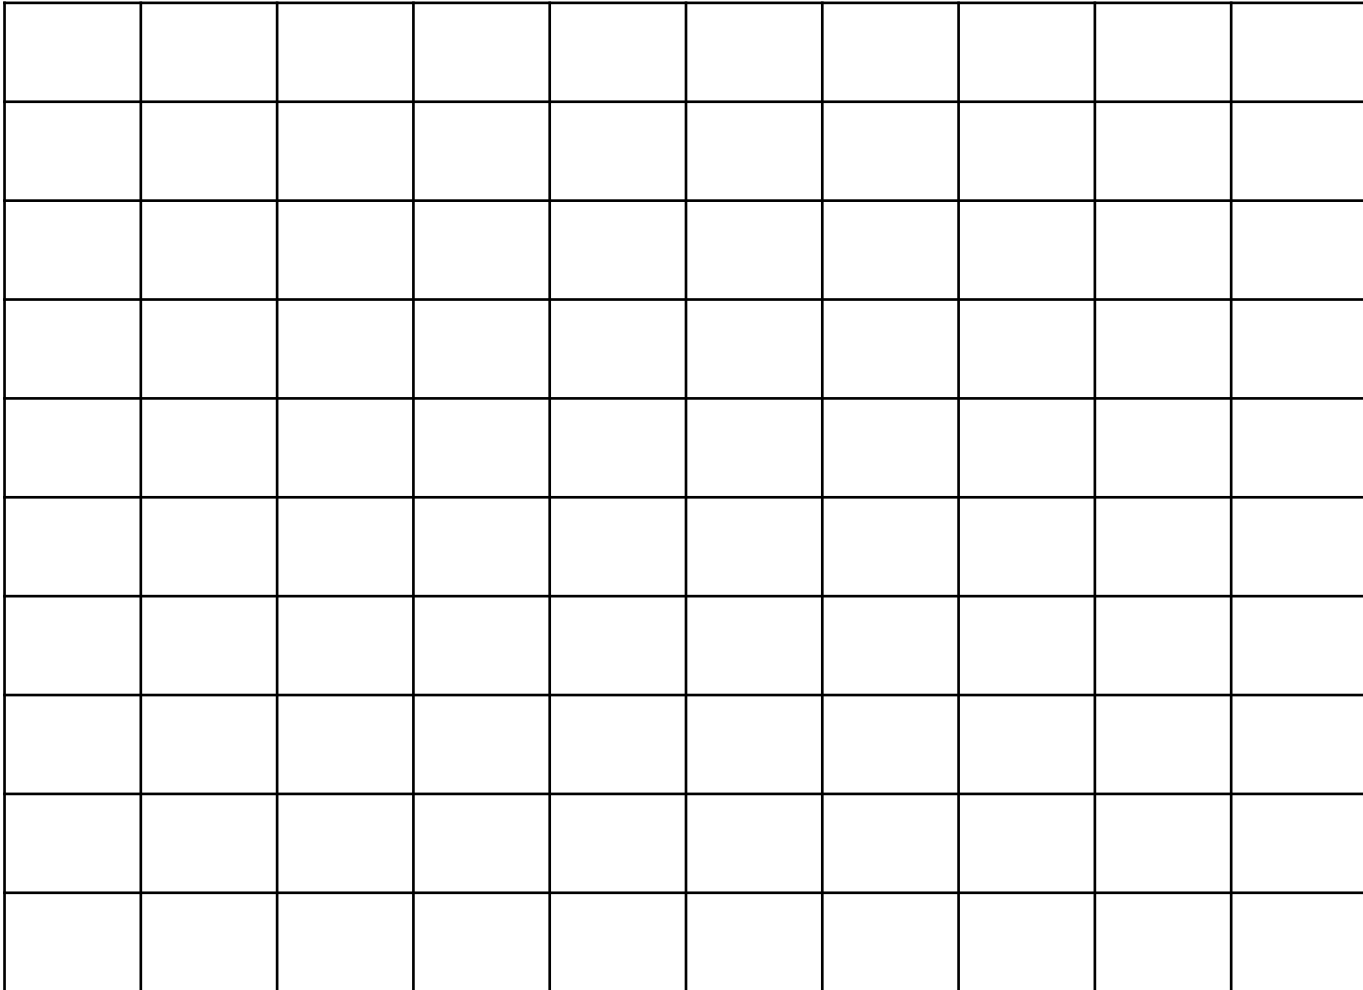

Remember to include a starting point and a 'X' for the treasure.

Choose a room or garden to hide your treasure in. Then create a map using a grid – template on next page.

Can you help find the treasure? Give directions to the treasure, such as go up 1 step, or go across 2 steps, or 3 steps next to the tree, etc.

Topic

This term our topic is Spring and the life cycles of living things.

Can you start looking for the signs of Spring?

- Are the flowers blooming?
- Have you noticed any changes in the weather?
- Have you seen any lambs yet?

Remember to use your senses, what can you hear, see, feel and smell?

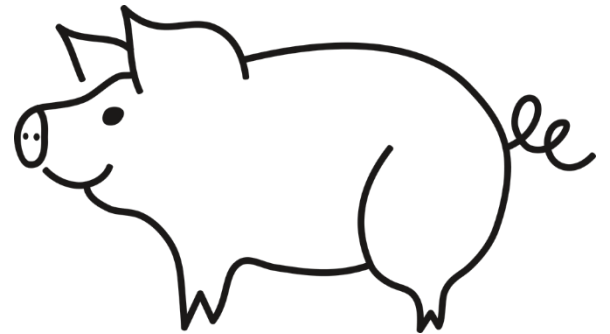

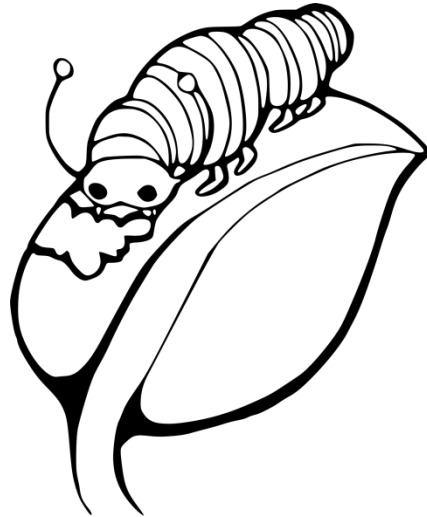

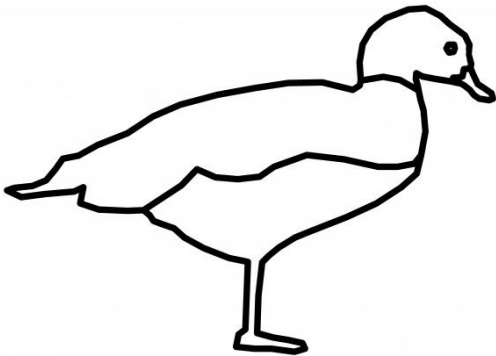

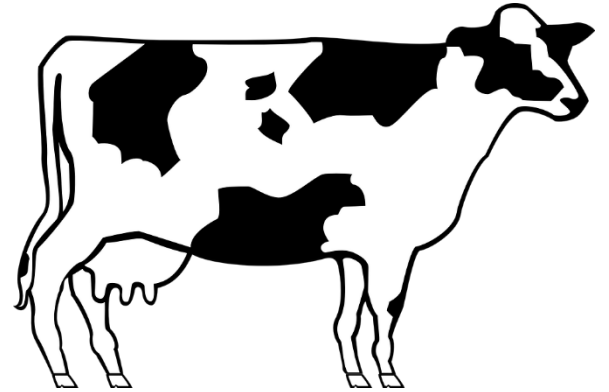

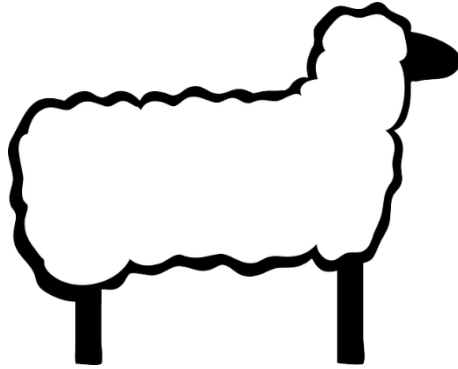

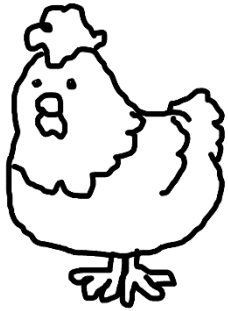

Then try discussing which animals hatch and which are born.
You can play our fun game of Egg or not?

Egg or not?

These animals hatch from an egg.

These animals grow inside their mothers and are born.

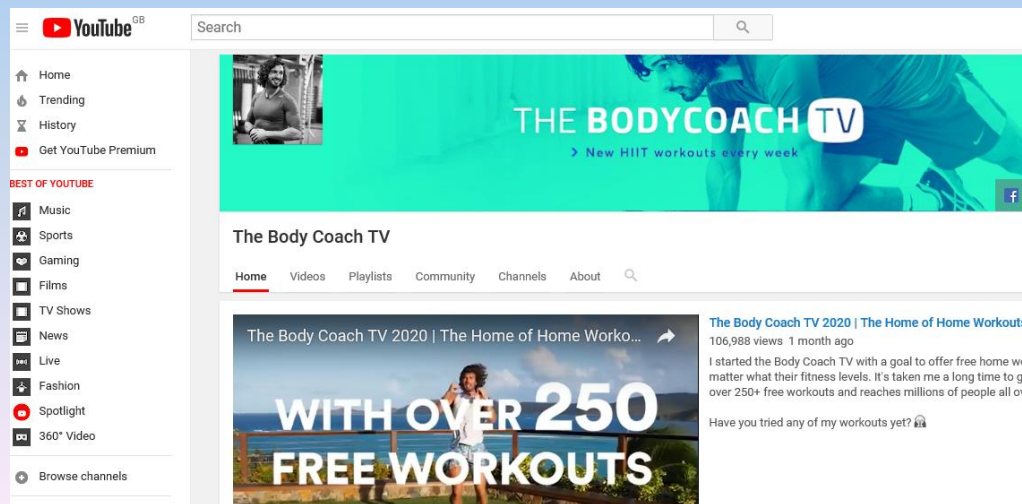

Egg or not?
