Year R

Term 6 Week 6

Message from Mrs Coffey

Hi Everyone,

I hope you enjoyed last week's learning about animals taking different types of transport and the problems they might come across.

This week we are continuing thinking about journeys but in particular a bike with a difference. In Maths we are looking at capacity and in Phonics continuing reading and writing words with four sounds as well as recapping those Phase 3 digraphs.

I always enjoy reading your comments and seeing your lovely photos and videos so keep them coming. They make me smile and brighten the day! As usual if you have any questions then I am contactable via Tapestry or the school office.

Have fun.

Mrs. Coffey

English Learning

Task 1

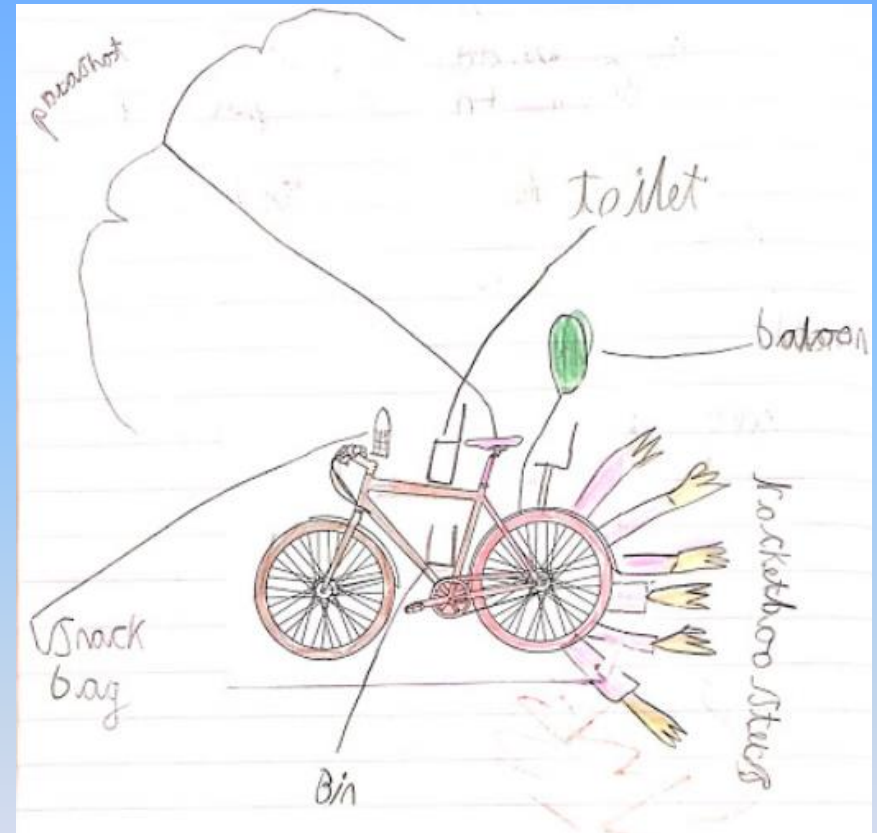

We are going to be continuing thinking about journeys this week but in particular a bike with some special additions.

Watch the story of Mrs Armitage on Wheels on the link below:

https://www.youtube.com/watch?v=BL_JlI9V16s

Which is your favourite change to her bike?
Can you explain why?

I would like you to draw and label you own bike with a difference like Mrs Armitage.
Remember is can have anything you like added to it. Be creative.

English Learning

Task 2

Can draw me a picture of where you would go on your newly created bike and tell me why you would take it there and what you would do there?

English Learning

Task 3

This week we are going to be continuing our learning of tricky words by learning four more:

- were
- there
- little
- one

I would like you to practise reading and writing them. Can you put them in a sentence? I have also included a game on tricky word bingo for you to play.

The link below provides a helpful way of teaching these to your child.

<https://www.phonicsplay.co.uk/resources/phase/4/train-your-brain-ph4>

Then go into 'Choose Words' and choose this week's tricky words.
