Year 6 Term 5 Week 4

Message from the class teachers

Thank you for continuing to work so hard independently. You are showing maturing and definitely being excellent role models!

Don't worry if you find some activities more challenging than others, allow yourself time to think over your learning and maybe come back to it after some reflection time.

Do make use of the internet resources as well as keeping busy by doing physical activities and spending time with family.

Thank you for your continued support.

Reading

Hopefully you have access to books at home, but we have sent home extra books with your child.

Accelerated Reading

Home quizzing is not always recommended but in this case we have adjusted the settings to allow quizzing to happen at home.

If your child wants to read a book from home, please check that there is a quiz available for the book and that the book level (BL) is within or near to your child's reading range. Also take note of the quiz number for future reference.

To check books please visit: <https://www.arbookfind.co.uk/>

AR quizzing at home.

To log into AR to take a quiz please visit: <https://ukhosted27.renlearn.co.uk/2240835/>

Your child should know what to do from here and should know their login details. If they are not aware, most details are written in their reading record.

Click on Accelerated reader.

Type in the name the book or the quiz number.

We advise students complete quizzes unaided. If parents/carers wish to support their child, they can do so in the following ways:

- Discuss the book with your child as the book is being read
- Ask your child to read the question out loud
- Re-word questions for your child, if necessary
- Ask your child which answers are **not** correct

Using My Maths

Children should know their way round My Maths but here are some reminders on how access the lessons. Visit: www.mymaths.co.uk

Using My Maths

The image shows the 'My Maths' website interface. At the top, there is a dark blue header with a logo, 'Log out', 'Help', 'Assessment Manager', and a search bar. Below the header, the main content area is divided into a left sidebar and a main panel. The sidebar has a 'Select Curriculum' dropdown set to 'National Curriculum (Eng)', a 'Library' section with 'Latest' selected, and a list of topics: Number, Measurement, Geometry, Statistics, Booster packs, and fSkills. The main panel shows 'Latest' content, including 'KS2 SATs booster', 'Bar model', 'Number', 'Measurement', 'Geometry', and 'Statistics'. A 'Worksheet' button is visible. A login overlay is shown on the right, with fields for 'My portal username' and 'My portal password', a 'Log in' button, and a link for 'Assessment Manager log in'. Red arrows point from the sidebar topics to the main content area and from the login overlay to the main content area.

Access any lesson based on what your child is learning in class or search the topic in the search bar.

Use the login portal to access specific homework and lessons that your teacher has set.

Maths – White Rose Home Learning

In school we follow the White Rose scheme of learning. Their website has put together free lessons and resources that link to the learning taking place in school. Please visit:

<https://whiterosemaths.com/homelearning/>

The screenshot shows the White Rose Maths website's 'Home Learning' section. The top navigation bar includes links for 'Resources', 'Professional Development', 'Home Learning' (which is highlighted in red), 'Who We Are', and 'News'. Below the navigation bar is a large image of a hand interacting with a tablet displaying a math problem: $42 \div 3 =$. The tablet screen shows a 'Model' section with a grid of circles and a 'Calculations' section with the number 14. Below the image is a dark blue banner with the text 'Home Learning' in white. Underneath the banner, the text 'Hello there, Parents and Carers!' is displayed. The main content area contains two paragraphs of text.

Home Learning

Hello there, Parents and Carers!

As schools worldwide close for now in response to COVID-19, you might be wondering how best to help your child or children with their studies at home.

Always happy to help, the White Rose Maths Team has prepared a series of five brand new maths lessons for each year group from Years 1-8. Every lesson comes with a short video showing you clearly and simply how to help your child to complete the activity successfully.

Accessing Twinkl

Many educational content providers are offering free access to their resources. Twinkl is a website that we use from time to time to resource our lessons to aid in teacher input and pupil activities.

We will be able to direct you towards activities and learning via this website based on lessons that may be missed due to absence. To access Twinkl please visit:

www.twinkl.co.uk/offer

You will have to sign up and put in the offer code: **UKTWINKLHELPS**

The screenshot shows the Twinkl website interface. At the top, there is a blue header with the Twinkl logo, a search bar with the text 'Search 500,000+ resources', and links for 'Membership', 'Sign In', and 'Join'. Below the header, there is a navigation bar with links for 'Planning', 'Curriculum Aims', 'EYFS', 'KS1', 'KS2', 'KS3/4', 'SEND', 'EAL', and 'Create'. The main content area is divided into two sections: 'Already a member?' and 'New to Twinkl?'. The 'Already a member?' section has a 'Sign in to subscribe to premium:' heading and a form with fields for 'Username or Email:', 'Password:', and 'Offer Code', followed by a 'Subscribe now!' button. The 'New to Twinkl?' section has a 'Create an account and subscribe to premium:' heading and a form with fields for 'Email address:', 'Password:', 'Occupation:' (a dropdown menu), and 'Offer Code', followed by a 'Signup & Subscribe now!' button. A red arrow points from the 'Offer Code' field in the 'New to Twinkl?' section to the 'UKTWINKLHELPS' offer code mentioned in the text on the left.

English Learning

Apostrophes for Possession

Use the link below to revise your understanding of apostrophes:

<https://www.bbc.co.uk/bitesize/topics/zvwwxnb/articles/zx9ydxs>

After watching the video, try the exercises on the webpage and quiz.

Apostrophes for Contraction

Now do the same for apostrophes for contraction using this link:

<https://www.bbc.co.uk/bitesize/topics/zvwwxnb/articles/zcyv4qt>

Independent Work

Try writing a paragraph or two about something that interests you using what you know about apostrophes for possession and contraction.

Spellings

Keep learning 5 a week. Can you write these in context by writing five sentences that include these words?

Religious Education

Foundations for Living: The Wise and Foolish Builders, Matthew 7:24–27.

Jesus spoke to the people:

“So then, anyone who hears these words of mine and obeys them is like a wise man who built his house on rock. The rain poured down, the rivers flooded over, and the wind blew hard against that house. But it did not fall, because it was built on rock.

“But anyone who hears these words of mine and does not obey them is like a foolish man who built his house on sand. The rain poured down, the rivers flooded over, the wind blew hard against that house, and it fell. And what a terrible fall that was!”

Reflect on the Parable of the Two House Builders and consider what makes for strong foundations in life. Using the next slide consider what Christians do to build good foundations for living.

Consider what Christians do to build good foundations for living.

What activities of the local Christian community help people to secure the foundations of their lives?

Where else do people get foundations for life (for example, in Islam, from the Five Pillars)?

How do these compare with Christian foundations?

What foundations do you live by?

The parable of the two builders (Matthew 7:24-27) teaches that Christians should build their lives on the words of Jesus.

Take the suggestions in the boxes below and add your own, to show the kinds of things that guide people in deciding how to live. Write them in a Venn diagram according to whether you think they are helpful in building foundations for anyone, or foundations for Christians. You may think some are not at all helpful, and should go in the bin!

Classroom Secrets

The site classroom secrets

<https://classroomsecrets.co.uk/free-home-learning-packs/> has free class packs which provide some great additional ideas and resources you can use.

The screenshot shows the Classroom Secrets website. At the top, there is a navigation bar with links for 'About', 'Membership', 'Blog', 'Contact', 'Podcast', and 'KIDS'. To the right of these links are 'SIGN UP' and 'LOG IN' buttons. Below the navigation bar is a horizontal menu with buttons for 'EYFS', 'KS1', 'KS2', 'GPS', 'Maths', 'Mixed Age', 'Reading', 'SATs Practice Questions', 'Interactive Games', and 'Learning Video Clips'. Below this menu is a search bar with the text 'Search 5,300+ Resources ...' and a magnifying glass icon. On the left side of the main content area, there is a large heading 'Your free home learning packs' in red. Below this heading is a paragraph: 'We have created resource packs for each year group to help your students learn from home.' To the right of the text is an illustration of a young girl with brown hair, wearing a yellow shirt, sitting on a red rug and using a laptop. Behind her is a pink sofa with two white cushions.
