

Home Learning

Year 3 Term 5 Week 1

Message from the class teacher

We hope you have all had a lovely Easter Break and haven't eaten too much chocolate! We are really missing you and hope you are all well.

Keep up with practising your joined up handwriting and your 3, 4 and 8 times tables throughout this term but here are some home learning tasks to keep your brain working while we can't be at school.

Thank you for your continued support.

Reading

Hopefully you have access to books at home, but we have sent home extra books with your child.

Accelerated Reading

Home quizzing is not always recommended but in this case we have adjusted the settings to allow quizzing to happen at home.

If your child wants to read a book from home, please check that there is a quiz available for the book and that the book level (BL) is within or near to your child's reading range. Also take note of the quiz number for future reference.

To check books please visit: <https://www.arbookfind.co.uk/>

The Gruffalo

Donaldson, Julia

AR Quiz No. 203199 EN Fiction

☐ IL: LY - BL: 2.3 - AR Pts: 0.5

☐ AR Quiz Types: RP, RV, VP

Go to the next page
for how to quiz.

AR quizzing at home.

To log into AR to take a quiz please visit: <https://ukhosted27.renlearn.co.uk/2240835/>

Your child should know what to do from here and should know their login details. If they are not aware, most details are written in their reading record.

Click on Accelerated reader.

Type in the name the book or the quiz number.

We advise students complete quizzes unaided. If parents/carers wish to support their child, they can do so in the following ways:

- Discuss the book with your child as the book is being read
- Ask your child to read the question out loud
- Re-word questions for your child, if necessary
- Ask your child which answers are **not** correct

Visit <http://readon.myon.co.uk>

Life is Better When We Read Together

Schools may be closing, but reading doesn't have to stop. To help support teachers, students and parents to **'Keep the UK and Ireland reading'**, we are offering access to thousands of enhanced digital books through myON and articles from myON News.

Start reading! →

Learn more

myON links with both Star Reading and Accelerated Reader quizzes, and offers practical literacy tools and supports through myON Projects. To learn more about the benefits of full access to myON and five daily news articles from myON News, call us on +44 (0)20 7184 4040, email answers@renlearn.co.uk or visit: renlearn.co.uk/myON.

Learn more about myON and myON News

Choose an area that interests you or use the search option.

The screenshot shows the myON by Renaissance website interface. At the top, there is a navigation bar with links for myON by Renaissance, Library, News, Projects, and Read Together. Below this is a search bar with a magnifying glass icon and the word "Search". A red arrow points to the search bar. Below the search bar is a section titled "Browse Books By Category". A green bar indicates "7,102 books". Below this, there are several category tiles. A red arrow points to the "Animals" category tile. The categories and their book counts are:

Category	Book Count
About Me	1,865 books
Animals	1,216 books
Genres	3,759 books
Hobbies & How To	330 books
Literacy Skills	325 books

Using My Maths

Children should know their way round My Maths but here are some reminders on how access the lessons. Visit: www.mymaths.co.uk

Using My Maths

The image shows the 'My Maths' website interface. At the top, there is a dark blue header with a logo, 'Log out', 'Help', 'Assessment Manager', and a search bar. Below the header, the main content area is divided into a left sidebar and a main panel. The sidebar has a 'Select Curriculum' dropdown set to 'National Curriculum (Eng)', a 'Library' section with 'Latest' selected, and a list of topics: Number, Measurement, Geometry, Statistics, Booster packs, and fSkills. The main panel shows 'Latest' content, including 'KS2 SATs booster', 'Bar model', 'Number', 'Measurement', 'Geometry', and 'Statistics'. A 'Worksheet' button is visible. A login overlay is shown on the right, with fields for 'My portal username' and 'My portal password', a 'Log in' button, and a link for 'Assessment Manager log in'. Red arrows point from the text below to the search bar, the 'Measurement' topic in the sidebar, the 'Worksheet' button, and the password field in the login overlay.

Access any lesson based on what your child is learning in class or search the topic in the search bar.

Use the login portal to access specific homework and lessons that your teacher has set.

Maths – White Rose Home Learning

In school we follow the White Rose scheme of learning. Their website has put together free lessons and resources that link to the learning taking place in school. Please visit:

<https://whiterosemaths.com/homelearning/>

The screenshot shows the White Rose Maths website's 'Home Learning' section. At the top is a navigation bar with links: 'Resources', 'Professional Development', 'Home Learning' (highlighted in red), 'Who We Are', and 'News'. Below the navigation bar is a large image of a hand interacting with a tablet displaying a math problem: 'Solve... 42 ÷ 3 ='. The tablet screen shows a 'Model' section with a grid of circles and a 'Calculations' section with the number '14'. Below the image is a dark blue banner with the text 'Home Learning' in white. Underneath the banner, the text reads: 'Hello there, Parents and Carers!'. A horizontal line follows. The main body of text states: 'As schools worldwide close for now in response to COVID-19, you might be wondering how best to help your child or children with their studies at home. Always happy to help, the White Rose Maths Team has prepared a series of five brand new maths lessons for each year group from Years 1-8. Every lesson comes with a short video showing you clearly and simply how to help your child to complete the activity successfully.'

TT Rockstars

To access TT Rockstars please visit:

<https://play.ttrockstars.com/auth/school>

Start typing
in the school
name or the
post code
(ME99NL)

Pupils type in their username and password,
usually written in their reading record.
Pupils can practice all tables but Year 2 should be
practicing 2, 5, and 10's
Year 3: 2,5,10,3,4,8's
Year 4,5,6: all tables

Accessing Twinkl

Many educational content providers are offering free access to their resources. Twinkl is a website that we use from time to time to resource our lessons to aid in teacher input and pupil activities.

We will be able to direct you towards activities and learning via this website based on lessons that may be missed due to absence. To access Twinkl please visit:

www.twinkl.co.uk/offer

You will have to sign up and put in the offer code: **UKTWINKLHELPS**

The screenshot shows the Twinkl website interface. At the top, there is a blue header with the Twinkl logo, a search bar with the text 'Search 500,000+ resources', and links for 'Membership', 'Sign In', and 'Join'. Below the header, there is a navigation bar with links for 'Planning', 'Curriculum Aims', 'EYFS', 'KS1', 'KS2', 'KS3/4', 'SEND', 'EAL', and 'Create'. The main content area is divided into two sections: 'Already a member?' and 'New to Twinkl?'. The 'Already a member?' section has a sign-in form with fields for 'Username or Email:' and 'Password:', and a 'Subscribe now!' button. The 'New to Twinkl?' section has a sign-up form with fields for 'Email address:', 'Password:', 'Occupation:' (a dropdown menu), and 'Offer Code', and a 'Signup & Subscribe now!' button. A red arrow points from the 'Offer Code' field in the 'New to Twinkl?' section to the 'UKTWINKLHELPS' offer code mentioned in the text on the left.

English Learning

Let's have a bit of fun to start you off.

Write a funny answer (or short story) to answer one of these questions.

Remember to include:

A character (or 2);

Where the story is set;

Exciting adjectives to describe;

Time conjunctions (first, next, later, after that, meanwhile, finally etc.) to move the story along.

What made this dog turn green?

How did this banana grow so huge?

Maths Learning

The screenshot shows the 'Home Learning - Year 3' page on the White Rose Maths website. The page has a dark blue header with navigation links: White Rose Maths, Resources, Professional Development, Home Learning (highlighted), Who We Are, News, and a Premium Resources Centre. Below the header, there's a pink sidebar with 'Week 1', 'Week 2', and 'Summer Term - Week 1'. The main content area features 'Lesson 1 - Equivalent fractions (2)' with a video player showing a number line from 0 to 1, divided into quarters. To the right of the video are buttons for 'Get the Activity' and 'Get the Answers'. Below this is 'Lesson 2 - Equivalent fractions (3)' with a similar layout. A right-hand sidebar lists 'Home Learning' resources for Summer Term, Easter Fun, and Home Learning for Early Years through Year 8.

There are only 2 days this week so, spend the time learning about equivalent fractions. There are two lessons on the White Rose home learning section

(<https://whiterosemaths.com/homelearning/year-3/>)

The screenshot shows the 'My Maths' page. On the left, there's a 'Select Curriculum' dropdown set to 'National Curriculum (England)'. Below it is a 'Library' sidebar with categories: Latest, Number (highlighted), Measurement, Geometry, and Statistics. The main area is titled 'Number' and has a 'Filter Everything' dropdown. It lists various topics: Number and place value, Addition and subtraction, Multiplication and division, Fractions (highlighted), Ratio and proportion, and Algebra. The 'Fractions' section is expanded, showing 'Y4 Introducing equivalent fractions' with a description: 'Recognising and showing families of equivalent fractions. Simplifying fractions by repeated division. Recognise and show, using diagrams, families of common equivalent fractions'. There are buttons for 'Lesson' and 'Online homework'. Below this is 'Y4 Simple equivalent fractions'.

There is also some My Maths slides in the about introducing equivalent fractions. I have also set some work linked to these teaching screens.

Topic – research our new topic by completing a time line about the Victorians. If you have already done this, can you add any other facts that you have found out?

Victorian Timeline

____ - The Mines Act stopped children under 10 working in the mines.

____ - The Factory Act stopped children aged 8-13 from working more than 6.5 hours a day.

1850 -

1854-56-

____ - Prince Albert dies from typhoid.

1891 -

1901 -

1841-

____ - Victoria married her cousin, Prince Albert.

1838-

1837-

P.E.

It is important to keep your children active. If it is safe to do so, ensure they have some time outside throughout the day. Please visit **Joe Wicks** YouTube channel

(<https://www.youtube.com/channel/UCAxW1XT0iEJo0TYlRfn6rYQ>), which has lots of exercise videos for children. He will also be hosting a live P.E. lessons Monday to Friday at 9:00am.

Classroom Secrets

The site classroom secrets

<https://classroomsecrets.co.uk/free-home-learning-packs/> has free class packs which provide some great additional ideas and resources you can use.
