Year 3 Swimming – Final Arrangements (Starting 24th April)

Dear Parents and Carers,

We are looking forward to beginning our Year 3 swimming sessions tomorrow, Friday 24th April.

Thank you to everyone who has returned the necessary forms and to those who have already made contributions towards the cost of swimming — your support is greatly appreciated.

Please find the final arrangements below:

- Children will have an early lunch at **11:30am**, followed by a short break outside. Hot school dinners will still be available.
- They will then be registered before departing school by bus at approximately **12:15pm**.
- Children will get changed at the swimming pool. You may wish to consider whether your child wears their swimwear under their PE kit, as this can become uncomfortable after a period of time.
- The swimming session will last **45 minutes**, followed by time to get changed and organised.
- We aim to leave the leisure centre just before **2:30pm**.

Collection arrangements:

- Parents are asked to wait **outside the leisure centre**, on the car park side and ramp area.
- Please do not wait in the reception area, as it will become very congested.

If your child is being collected by someone other than a parent or their usual collector, you must inform the school office in advance. If arrangements change during the swimming programme, please keep the office updated.

Children who are returning to school will be transported back with staff. On return, they will be given a biscuit and a drink to help replenish their energy.

Once again, thank you for your continued support and partnership. We kindly remind families to make a contribution towards swimming, as this helps the school manage ever increasing costs.

If you have any questions, please do not hesitate to contact us.

Yours sincerely

C Kelly
