Friday 31st January 2025

Dear Parents/Carers,

On Tuesday 11th February we will be joining schools and youth organisations across the UK in celebrating Safer Internet Day 2025. Safer Internet Day is a global campaign to promote the safe and responsible use of technology, which calls on young people, parents, carers, teachers, social workers, law enforcement, companies, policymakers, and more to join together in helping to create a better internet.

Using the internet safely and positively is a key message that we promote in school and celebrating Safer Internet Day is a great opportunity for us to re-emphasise the online safety messages we deliver throughout the year.

We will be holding a parent's information meeting on **Tuesday 11th February at 2:45pm** in the school hall, please come along and find out what you can do to ensure you and your child/ren are able to stay safe online.

Yours sincerely,

L Ward
