Verbal Reasoning

In these questions, the same letter must fit into both sets of brackets, to complete the word in front of the brackets and begin the word after the brackets.

1 Example
dis [?] urt muc [?] ole
A p B h C e D s E k

The answer is **h** (the four new words are **dish**, **hurt**, **much** and **hole**) and this has been marked on the answer sheet on page 15. Now try the practice question below:

1 Practice
rea [?] ace fee [?] ost D m E l
A f B r C p

Work out the correct answer and mark it on the answer sheet.

In these questions, there are two pairs of words.
Only one of the five possible answers will go equally well with both these pairs.

2 Example
(fall stumble) (journey outing)
A holiday B travel C drop D trip E trap

The answer is **trip**. The word 'trip' can mean losing your balance (**fall/stumble**) and also means to make a journey (**journey/travel**). This has been marked on

5 Example: Find the odd one out
In each of the rows below there are five figures. Find the figure in each row that is most unlike the other four and mark its letter on your answer sheet.

The answer is **b** because all of the shapes are divided in half with one half striped except **b** which has more than a half striped, so **b** is the odd one out. This has been marked on the answer sheet on page 15. Now try the practice question below:

5 Practice

Work out the correct answer and mark it on the answer sheet.

Results Day

- By email: If you registered online you will be emailed your child's results after 4pm.
- Online: You can login after 5pm to view your child's results and scores online
- By post: Results will be sent out by first class post on 17th October 2024

The Results

- Your child will get three standardised scores, 1 for English, 1 for maths and 1 for reasoning.
- Standardisation is a statistical process which compares your child's performance with the average performance of other children in each test. A slight adjustment is made to take into account each child's age so that the youngest are not at a disadvantage.
- To be given a grammar school assessment, children need to get a total score of 332 or more, with no single score lower than 109. This score can vary each year.

Results Day

- If they are not deemed suitable for grammar school, please use this language with them and celebrate their achievement in taking the test
- If your child goes through via a Headteacher appeal they were deemed suitable for grammar with more thorough examination. So this is the same as passing the test

Headteacher Appeals

- On occasions the school may decide to appeal for your child if they did not reach the threshold
- Appeals will be only made if:
 - we feel your child is suited to grammar school
 - their marks are not really low unless specific circumstances
