Dear Parents / carers of children in Year R and 1,

During the week beginning 20th May, we will be celebrating the world around us by holding our annual 'World Awareness Week'. This year's focus is on The Olympics.

During the week, our aim is for the children to learn about the origins of the Olympics, explore the determination of Olympians, learn about the culture of the countries that compete and to experience as many different sports as possible. We will be having sports coaches come into school to give the children an opportunity to try new sports (further details of the week will be sent home in due course), along with the children competing in their houses with different athletics events on the school field.

The children in Year R and Year 1 have been given the opportunity to experience a Gymnastics session at Faversham Activity Centre on **Thursday 23rd May** (Year R 9am-10am and Year 1 10am-11am). For this to go ahead, we are asking parents for a donation of **£5 per pupil** to go towards the cost of the coach to transport the children to and from the Gymnastics Centre.

On this day, the children will need to wear their PE kits to school and will need to have earrings removed and long hair tied up.

We look forward to this week and thank you in advance for your continued support with enabling your children to have such wonderful experiences.

Yours sincerely,

K Green
