5th July 2023

Horton Kirby Visit - Year 5 Parents and Carers

Dear Parents and Carers,

This term our topic is "Rivers". We have therefore organised a river study day at Horton Kirby Environmental Centre, near Dartford, where we will be undertaking important fieldwork to observe, measure, record and present the human and physical features of a river. This trip will enable your children to contextualise their learning helping them to understand and engage in learning about the geography in the area they live.

We will be leaving school promptly at 8:30 am on Monday 11th of September. Children need to arrive at 8:20 am to register. We aim to arrive back at school at 3:45 pm, however will text if we are delayed.

The children will need to dress in suitable clothing for outdoor fieldwork. They will need:

- Waterproof jackets
- Welly boots (as well as the shoes that they will wear to the Centre).
- Spare socks (even in welly boots many children will still get their feet wet!)
- A backpack to store their items and lunch.
- Spare trousers/leggings if there has been a lot of rainfall, or if your child could be rather lively in the river!

If you do not have wellies, there are some available at the centre, which can be borrowed. Please indicate foot size required on the return slip. This will enable us to contact the centre in advance to organise this.

The school will be subsidising the cost of the trip but we ask you to make a voluntary contribution of £18.50. Please complete the tear-off slip below and return. If payment is made by cheque, please make the cheque payable to Bapchild & Tonge CE Primary School. You can make a payment directly to the school's bank account stating child's name and what payment is for and the details are as follows: -

Bank: NatWest

Account No.: 79303587

Sort code: 60-60-08

Additionally, children will require packed lunches, a snack and non-fizzy drink. The centre encourages a waste free, nutrition lunch, which is environmentally friendly.

Yours faithfully,

Mr C Kelly
