Dear Year 6 Parents,

We have managed to arrange two separate Bikeability courses one on Monday 13th March and Tuesday 14th March 2023 and the other on Thursday 16th March and Friday 17th March 2023. Bikeability is a cycling training programme that gives the children the opportunity to gain practical skills and understanding of how to cycle on today's roads. It is about gaining skills and confidence for all kinds of cycling.

Each group will have a maximum group size of 12 students and it would be a 2 day course to cover Bikeability Level 1 (playground) and Level 2 (local roads). The course would be run by two qualified instructors over 2 days and riders will be awarded with a certificate and badge for their appropriate level. Every rider will require their own cycle helmet and bicycle before being able to take part in the course. There will be a cost of £12.00 per student.

We recognise some Year 6's have already completed the course in Year 5, but if they wish to repeat that is fine.

If you are interested in your child taking part in the programme please complete the form below, attached consent form and medical information. Please could you return it to us no later than **Friday 24th February 2023**. **If there are more than 24 children, we will draw names in a ballot for fairness.**

If payment is made by cheque please make the cheque payable to Bapchild & Tonge CE Primary School. You can make a payment directly to the school's bank account stating the child's name and what the payment is for and the details are as follows.

Bank: Nat West Account Number: 79303587 Sort Code: 60-60-08

If you have any questions please do not hesitate to ask.

Yours sincerely

C Kelly
