To Parents of Years 1 - 6

Dear Parents

We are delighted to write to you to let you know that we have arranged for the children in Years 1 – 6 to go on a school trip to the Science Museum in London for Science Week on Thursday 3rd March 2022. The children will have the opportunity to take part in various activities for each year group which are age appropriate as well as explore and discover the wide range of exhibitions.

The visit will kickstart our thinking for Science Week the following week and it is our intention to subsidise the cost of the transport for the school trip but we would like to ask you to make a voluntary contribution of £13.64 towards activities within the Science Museum.

Please complete the tear-off slip below and return. If payment is made by cheque, please make the cheque payable to Bapchild & Tonge CE Primary School. You can make a payment directly to the school's bank account stating the child's name and what the payment is for and the details are as follows: -

Bank: NatWest

Account No.: 79303587

Sort code: 60-60-08

Further details of departure times for each class and other arrangements will be sent out early next term, however there will be some staggered departure and return times. The trip is fully risk assessed and we will have a high adult to child ratio. The Science Museum have their own COVID risk assessment and measures which are extensive and well managed. If due to COVID a child is unable to go or we have to cancel the trip the school will refund the contribution.

We will be celebrating World Book Day, which was originally planned for 3rd March 2022, to Thursday 10th March 2022 with further details to follow.

We are very excited that we can offer this trip as part of Science Week and that it offers the children a little normality. Please do not hesitate to contact us if you have any further questions or queries

Yours sincerely

C Kelly
