1st December 2021

Dear Parents and Carers of children in Reception, Year 1 and Year 2

We are keen for our infant children to continue to perform their Nativity after all of their hard work. Current Department for Education guidance still allows this to happen but as a school community we do need to take active steps to do this safely.

We are therefore organising a third performance on Wednesday 8th December at 9.30 am to reduce the audience size for the other two performances. If you would be willing to change your performance time to Wednesday 8th December at 9.30 am from either of the other dates, please do complete the slip below and return to the office by Monday 6th December. Please do not attend this as well as the other two and if you are down to come to both other performances, please consider coming to only one so that we can reduce audience sizes and make it as safe as can be for all our school community.

DfE guidance is recommending that adults (including visitors) in primary schools should wear masks when moving in communal areas and corridors. The school staff are following this and we would reiterate that masks should be worn by adults who are attending the Nativity or other school events. We have also urged you to take a LFD and only attend if it is negative.

We are extremely keen for all of our planned festive events to go ahead for the children and whole school community and thank you for your support in doing this.

Yours sincerely

C Kelly
