

Harvest Charity 2021

Did you know that 2 billion people in the world do not have somewhere safe to go to the toilet?

This year, Bapchild and Tonge CE Primary School and Nursery are going to be raising money at Harvest time to support the charity 'Toilet Twinning' so we can help 'flush away poverty, one toilet at a time'.

With just £60, we can twin one of our school toilets with somewhere that really needs one. We can help fund a project in a poor community that will enable families to build a basic toilet, have access to clean water and learn about hygiene – a vital combination that saves lives. We will even get a certificate to hang up in our loos!

Your child has decorated a cardboard tube and will be bringing it home to fill up with as many coins as they can. Please can you return the filled tubes to school on

Tuesday 12th October.

Thank you for your support.
