Dear Parents/Carers

I am pleased to be able to enclose your child's Reception End of Year Report written by Mrs Smith, Mrs Green and the team. The report celebrates the progress they have made over the year; however, for some of the children there will be gaps because of the interruption to their learning due to Covid-19.

For all of the areas of learning your child will receive a comment and if they are on track to make a Good Level of Development. There are also sections for characteristics of effective learning and how your child learns, along with a Teacher's Comment.

We have decided to continue to use Tapestry into Year 1 as a way of being able to make observations and for you to contribute to your child's learning. We will liaise with you in the new academic year.

Your child's class teacher will be available to meet on Wednesday 14<sup>th</sup> July 2021 if you feel that it is necessary to discuss the report. Please book using the form link and you will be allocated a time between 3.30 pm and 5.30 pm for a Google Chat and notified of this. You will need to use your child's account to be able to do the Google Chat.

Although this would not have been the year that we would have planned for our Reception children, a big thank you to everyone for their support. The children have over Term 5 and 6 certainly become more settled and made positive progress to moving into the National Curriculum.

Yours sincerely

Mr C Kelly  
Headteacher
