25th June 2021

Dear Parents and Carers

I am pleased to be able to enclose your child's 'End of Year Report' as written by their Class Teacher. The 'End of Year Report' has temporarily replaced the 'End of Year Summary Report', due to the changes that have had to be made because of the disruption this year.

For the subjects reported on your child, you will receive a coloured statement of:

Age Related Expectations

Emerging	Expected		Exceeding
Working Towards	Working Within	Working Securely Within	Working Above

This is where we judge your child at the point of writing the report and it does take into account the level of disruption that the children have experienced this and last academic year.

The statement will be coloured as below and again is the progress they have made, not necessarily the effort they have put in.

Progress Key

Accelerated Progress
Good Progress
Less than expected progress

Mostly children should be working at 'working within' or 'working securely within' at the end of the year. Please again bear in mind that with the level of disruption we have experienced, some progress may be less but we have every confidence with high quality teaching and learning we will be able to diminish this.

Your child's class teacher will be available to meet on Wednesday 7th July 2021 if you feel that it is necessary to discuss the report. Please book using the form link and you will be allocated a time between 3.30 pm and 5.30 pm for a Google Chat and notified of this.

<https://forms.gle/PWfDUPCbJb7zuPLq5>

I hope the current format is useful and gives you an idea of your child's current attainment, progress, attitude to learning and behaviour.

Yours sincerely

C Kelly
