28th April 2021

To Parents of Year 5

Dear Parents

Our new Year 5 topic this term will be "Rivers". We have therefore organised a river study day to Horton Kirby Environmental Centre, near Dartford, where we will be doing important fieldwork to observe, measure, record and present the human and physical features of a river.

The Department for Education has confirmed that schools can resume educational visits from 12th April, and as usual all school trips should be full and thoroughly risk assessment. The Environmental Centre has undertaken their own risk assessment to reduce the risk of COVID transmission and the school will ensure it observes the control measures it has in place.

We have however booked a study day to kick start our topic on Wednesday 12th May 2021.

The school will be subsidising the cost of the transport for the school trip but we would like to ask you to make a voluntary contribution of £9.70 for the entry fee. If you could please complete the form below and return to the school as soon as possible.

We will be leaving school promptly at 8.30am on Wednesday 12th May 2021 so ask all children to arrive promptly at 8.20am to register. We will be aiming to arrive back at school at 3.45pm, however will text if we are going to be delayed.

The children will need to wear suitable clothing for outdoor fieldwork. The children will need wellies, spare socks and shoes to change into when returning to the Centre. If you do not have wellies please let us know ASAP, along with their feet size, so that we can organise them with the Centre. Waterproof jackets will also be needed in case of wet weather and a rucksack type bag to store everything.

Packed lunches, a snack and non-fizzy drink will be required. The Centre encourages a waste free, nutritious lunch that is environmentally friendly.

Please do not hesitate to contact us if you have any further questions or queries

Yours sincerely

Miss P Horton
