Easter Bonnet & Egg competition

Without a doubt the best competition ever ...in Mr Kelly's opinion! The much loved and missed Easter Bonnet and Egg competition is back this Easter! Children can either make an Easter Bonnet or decorate an egg and put it in a scene. In the past children have created amazing bonnets and scenes such as the egg as a rugby ball being kicked over the post or Minions and the ideas have been truly imaginative and brilliant. Each entry will get a small chocolatey prize with prizes for each Key Stage with prizes donated by **Asda**. Nursery children through to Year 6 are actively encouraged to take part!

Raise money for FOBS when you shop online

We have registered with easyfundraising; when you shop online with retailers such as Boots, Amazon, ebay and many more, you can raise FREE donations for FOBS.

What else can I do to help?

We are always delighted to welcome new members to FOBS, but we would also like to put a shout out to any parents that can help in many other ways too.

We are looking for special skills, prize sponsors and general help. We would also welcome new fundraising ideas.

If you feel you can and would like to contribute, please email fob.school@bapchild.kent.sch.uk with the details.
