Year 4 Term 5 Week 3

Message from the class teacher

Hi Year 4,

Well done with keeping up with your work! How strange is it that we are already into week 3 of term 5. What kind of things have you been doing to keep busy? I have been baking and playing in the garden with my dog. I do hope you have been having a chance to enjoy the sunshine too. Perhaps by going on a walk or maybe by playing in the garden.

This week we have the usual English and Maths activities set for this week. However instead of science we will be focusing on R.E, where are focus will be on 'The Good Samaritan.'
Good Luck with the work! You've got this!

Best Wishes,
Miss Solomon

Reading

Hopefully you have access to books at home, but we have sent home extra books with your child.

Accelerated Reading

Home quizzing is not always recommended but in this case we have adjusted the settings to allow quizzing to happen at home.

If your child wants to read a book from home, please check that there is a quiz available for the book and that the book level (BL) is within or near to your child's reading range. Also take note of the quiz number for future reference.

To check books please visit: <https://www.arbookfind.co.uk/>

The Gruffalo

Donaldson, Julia

AR Quiz No. 203199 EN Fiction

IL: LY - BL: 2.3 - AR Pts: 0.5

AR Quiz Types: RP, RV, VP

Go to the next page
for how to quiz.

AR quizzing at home.

To log into AR to take a quiz please visit: <https://ukhosted27.renlearn.co.uk/2240835/>

Your child should know what to do from here and should know their login details. If they are not aware, most details are written in their reading record.

Click on Accelerated reader.

Type in the name the book or the quiz number.

We advise students complete quizzes unaided. If parents/carers wish to support their child, they can do so in the following ways:

- Discuss the book with your child as the book is being read
- Ask your child to read the question out loud
- Re-word questions for your child, if necessary
- Ask your child which answers are **not** correct

Visit <http://readon.myon.co.uk>

Life is Better When We Read Together

Schools may be closing, but reading doesn't have to stop. To help support teachers, students and parents to **'Keep the UK and Ireland reading'**, we are offering access to thousands of enhanced digital books through myON and articles from myON News.

Start reading! →

Learn more

myON links with both Star Reading and Accelerated Reader quizzes, and offers practical literacy tools and supports through myON Projects. To learn more about the benefits of full access to myON and five daily news articles from myON News, call us on +44 (0)20 7184 4040, email answers@renlearn.co.uk or visit: renlearn.co.uk/myON.

Learn more about myON and myON News

Choose an area that interests you or use the search option.

The screenshot shows the myON by Renaissance website interface. At the top, there is a navigation bar with links for myON by Renaissance, Library, News, Projects, and Read Together. Below this is a search bar with a magnifying glass icon and the word "Search". A red arrow points to the search bar. Below the search bar is a section titled "Browse Books By Category". A green bar indicates "7,102 books". Below this, there are several category tiles. A red arrow points to the "Animals" category tile. The categories and their book counts are:

Category	Book Count
About Me	1,865 books
Animals	1,216 books
Genres	3,759 books
Hobbies & How To	330 books
Literacy Skills	325 books

Using My Maths

Children should know their way round My Maths but here are some reminders on how access the lessons. Visit: www.mymaths.co.uk

Using My Maths

The image shows the 'My Maths' website interface. At the top, there is a dark blue header with a logo, 'Log out', 'Help', 'Assessment Manager', and a search bar. Below the header, the main content area is divided into a left sidebar and a main panel. The sidebar has a 'Select Curriculum' dropdown set to 'National Curriculum (Eng)', a 'Library' section with 'Latest' selected, and a list of topics: 'Number', 'Measurement', 'Geometry', 'Statistics', 'Booster packs', and 'fSkills'. The main panel shows a 'Latest' section with a 'KS2 SATs booster' and a list of assessments: 'Y6 Arithmetic assessment 1', 'Y6 Arithmetic assessment 2', 'Y6 Mixed assessment 1', 'Y6 Mixed assessment 2', and 'Y6 Mixed assessment 3'. A red arrow points from the 'Measurement' topic in the sidebar to the 'Y6 Arithmetic assessment 1' card. Another red arrow points from the 'Geometry' topic to the same card. A third red arrow points from the 'Statistics' topic to the same card. A fourth red arrow points from the search bar to the same card. A fifth red arrow points from the 'Assessment Manager log in' link to the login overlay. The login overlay is a dark blue box with a close button, containing fields for 'My portal username' and 'My portal password', a 'Log in' button, and a '?' icon.

Access any lesson based on what your child is learning in class or search the topic in the search bar.

Use the login portal to access specific homework and lessons that your teacher has set.

Maths – White Rose Home Learning

- As well as the work that can be accessed through My Maths and TT Rockstars, you can see below the future topics we would be covering.
- To find further support for the rest of our year curriculum, visit the White Rose website for the schemes of learning.
(<https://whiterosemaths.com/resources/schemes-of-learning/primary-sols/>)
- Here, you can find everything we should be covering across year 4 and the small steps within this. For example...

	Year 1	Year 2	Year 3	Year 4	Year 5	Year 6						
	Week 1	Week 2	Week 3	Week 4	Week 5	Week 6	Week 7	Week 8	Week 9	Week 10	Week 11	Week 12
Autumn	Number: Place Value				Number: Addition and Subtraction			Measurement: Length and Perimeter	Number: Multiplication and Division			Consolidation
Spring	Number: Multiplication and Division			Measurement: Area	Number: Fractions				Number: Decimals			Consolidation
Summer	Number: Decimals		Measurement: Money		Measurement: Time	Statistics		Geometry: Properties of Shape		Geometry: Position and Direction	Consolidation	

Maths – White Rose Home Learning

Our next topic within maths was going to be looking at Decimals so if I follow that link from the previous slide, it'll open up a PDF that shows me all the information for that topic.

Recognise tenths and hundredths

Tenths as decimals

Tenths on a place value grid

Tenths on a number line

★ Divide 1-digit by 10

★ Divide 2-digits by 10

★ Hundredths

★ Hundredths as decimals

Hundredths on a place value grid

Divide 1 or 2-digits by 100

Make a whole

Write decimals

Compare decimals

Order decimals

Round decimals

Halves and quarters

I've put a star next to the areas we are going to focus on this week. My tip would be to focus on the small steps and to try not too rush. Take your time!

Maths – White Rose Home Learning

Each small step has notes and guidance for the topic and fluency suggestions. The second page provides reasoning and problem solving questions that the children can try to consolidate their learning.

Year 4 | Spring Term | Week 9 to 11 – Number: Decimals

Divide 1-digit by 10

Notes and Guidance

Children need to understand when dividing by 10 the number is being split into 10 equal parts and is 10 times smaller.

Children use counters on a place value chart to see how the digits move when dividing by 10. Children should make links between the understanding of dividing by 10 and this more efficient method.

Emphasise the importance of 0 as a place holder.

Mathematical Talk

What number is represented on the place value chart?

What links can you see between the 2 methods?

Which method is more efficient?

What is the same and what is different when dividing by 10 on a Gattegno chart compared to a place value chart?

Varied Fluency

Eva uses counters to make a 1-digit number.

Tens	Ones
	3

To divide the number by 10, move the counters one column to the left. What is the value of the number now?

Use this method to solve:

$$3 \div 10 = \square \quad 7 \div 10 = \square$$

Here is a one-digit number on a place value chart.

Ones	Tenths
5	

When dividing by 10, one place to the left.

$$5 \div 10 = \square$$

Use this method to solve:

$$8 \div 10 = \square \quad \square \div 9 = 10$$

11

Year 4 | Spring Term | Week 9 to 11 – Number: Decimals

Divide 1-digit by 10

Reasoning and Problem Solving

Choose a digit card from 1 – 9 and place a counter over the top of that number on the Gattegno chart.

100	200	300	400	500	600	700	800	900
10	20	30	40	50	60	70	80	90
1	2	3	4	5	6	7	8	9
0.1	0.2	0.3	0.4	0.5	0.6	0.7	0.8	0.9
0.01	0.02	0.03	0.04	0.05	0.06	0.07	0.08	0.09

Ron is incorrect. Children will see that you move down one row to divide by 10 on a Gattegno chart whereas on a place value chart you move on column to the right.

Ron says,

To divide by 10, you need to move the counters to the right.

Do you agree? Use the Gattegno chart to explain your reason.

Complete the number sentences.

$$4 \div 10 = 8 \div \square \div 10$$

2

$$15 \div 3 \div 10 = \square \div 10$$

5

$$64 \div \square \div 10 = 32 \div 4 \div 10$$

8

Maths – White Rose Home Learning

In school as we follow the White Rose scheme of learning. Their website has put together free lessons and resources that link to the learning taking place in school. Please visit:

TT Rockstars

To access TT Rockstars please visit:

<https://play.ttrockstars.com/auth/school>

Start typing
in the school
name or the
post code
(ME99NL)

Pupils type in their username and password,
usually written in their reading record.
Pupils can practice all tables

I have specifically allocated different times tables
for you to practise each week.

Accessing Twinkl

Many educational content providers are offering free access to their resources. Twinkl is a website that we use from time to time to resource our lessons to aid in teacher input and pupil activities.

We will be able to direct you towards activities and learning via this website based on lessons that may be missed due to absence. To access Twinkl please visit:

www.twinkl.co.uk/offer

You will have to sign up and put in the offer code: **UKTWINKLHELPS**

The screenshot shows the Twinkl website interface. At the top, there is a blue header with the Twinkl logo, a search bar with the text 'Search 500,000+ resources', and links for 'Membership', 'Sign In', and 'Join'. Below the header, there is a navigation bar with links for 'Planning', 'Curriculum Aims', 'EYFS', 'KS1', 'KS2', 'KS3/4', 'SEND', 'EAL', and 'Create'. The main content area is divided into two sections: 'Already a member?' and 'New to Twinkl?'. The 'Already a member?' section has a 'Sign in to subscribe to premium:' heading and a form with fields for 'Username or Email:', 'Password:', and 'Offer Code', followed by a 'Subscribe now!' button. The 'New to Twinkl?' section has a 'Create an account and subscribe to premium:' heading and a form with fields for 'Email address:', 'Password:', 'Occupation:' (a dropdown menu), and 'Offer Code', followed by a 'Signup & Subscribe now!' button. A red arrow points from the 'UKTWINKLHELPS' offer code in the text on the left to the 'Offer Code' field in the 'New to Twinkl?' section.

English Task

Task 1

- Practice sentences. Re-write these in your book, changing the underlined words for its contraction.
- Use the help box to find the spellings of the contractions you need.

can't	won't	don't	they've	I'm
didn't	shouldn't		couldn't	
wasn't	isn't	I'll	you're	

1. I am having school dinners today.
2. I do not want to play that game.
3. I will help you.
4. She did not like my cake.
5. There is not any butter left.
6. We cannot find it anywhere!
7. You should not go in there!
8. I was not able to go to her party.
9. You are too late.
10. I could not help it!
11. They have got a large house with a swimming pool
12. If you leave, there will not be enough people to play.

English Task 2

Re-write the sentences below using a contraction where appropriate.

I thought that would be nice.

We could have been seriously hurt.

Stefan might not be coming with us.

I shall not have another piece of cake.

You have been waiting for ages for this.

Fran promised that this will be the last time.

We have not got time to go to the park.

You need not have come all this way.

He already knew what had happened.

- You can practice and learn these spellings in whichever way suits you best (just like your homework, e.g. look, cover, write, check):

- Height
- Minute
- Notice
- Favourite
- Opposite
- Often
- Disappear
- Special
- Eight
- Circle

Spelling
list...

Task 3: Applying the spellings and optional additional spelling tasks...

Choose one of the options from below to revise the spellings.

- Write a definition for each of the words.
- Write sentences including each of the words.
- Write a small passage trying to include as many of the words as you can.
- Create your own word search/crossword puzzle.
- Dictation – can an adult in your house tell you a sentence with the word in and you have to write the sentence and check your spellings are correct?

R.E

The Good Samaritan (Luke 10:25-37)

Begin by reading the passage highlighted above – if you do not have a Bible at home, you can use this link to search for the passage:

<https://www.biblegateway.com/>

Using the passage from above think about the following questions:

- What does the word neighbour mean in this story?
- What makes a good neighbour?
- Who do they know who behaves like the Good Samaritan and is a good neighbour?
- What is Jesus telling Christians to do?

P.E.

It is important to keep your children active. If it is safe to do so, ensure they have some time outside throughout the day. Please visit **Joe Wicks** YouTube channel

(<https://www.youtube.com/channel/UCAxW1XT0iEJo0TYlRfn6rYQ>), which has lots of exercise videos for children. He will also be hosting a live P.E. lessons Monday to Friday at 9:00am.

Collins

Music

Out of the Ark Music

- **Collins** are also providing home learning activities <https://collins.co.uk/pages/support-learning-at-home>.
- You can access free Music Express songs and activities by clicking on the free children's song bank. Some of these the children will recognise from class music lessons with Mrs Julier .

Go to [Collins Connect](#) and click on the Teacher portal and enter:

- Username: **parents@harpercollins.co.uk**
- Password: **Parents20!**
- Click Login.
- Once you've logged into Collins Connect, select **Music Express** from the menu page. To access the **Song Bank** click the link on the welcome page.

- '**Out of the Ark**' music have created 'Out of the Ark at Home' via this website <https://www.outoftheark.co.uk/ootam-at-home/>
- There are 4 weeks on the website so far and when you click on e.g week 1, there is a lively fun song video for every single day. Definitely something you might enjoy and could work well as a brain break, when needed.

Classroom Secrets

The site classroom secrets

<https://classroomsecrets.co.uk/free-home-learning-packs/> has free class packs which provide some great additional ideas and resources you can use.
