

Good afternoon

With regards to school reopening and immunisation sessions, would you be so kind to send the following email out to parents via parent mail.

Many thanks.
Immunisation Team

Dear parents and carers

Following the Government announcement yesterday regarding the delay to schools returning, we are contacting you to advise you that unfortunately the flu immunisation session that was planned for your child in school will be unable to go ahead

We are working hard to try and look at scheduling more clinics in your area so that your child can still be immunised for flu.

Please keep an eye on our website or call or email the immunisation hub to book a clinic appointment. Contact details below

Kind regards

The Immunisation Team
