18th November 2020

Dear Parents

Following on from our plans to visit Oare Gunpowder Works, we have now arranged an onsite visit from one of their guides that will take place in our school grounds this week on Friday 20th November.

The class will learn about water uses in industry and in nature. They will take part in outdoor activities in the school grounds all morning.

In order to be comfortable outdoors, please can you send your child into school in warm outdoor clothing, with outdoor shoes or wellington boots (if they have them in school already they will use these). They can also bring a change of clothing in case their outdoor clothing becomes very wet.

Please contact the school office if you have any questions.

Yours sincerely

L Sawyer
