18th November 2020

Dear Year 5 Parents

I hope I find you all well.

Our Year 5 children have been working hard on delivering a class worship which they will perform on Friday 20th November 2020 between 9.15 am - 9.35 am.

Although parents cannot join us in person, they can join us through Google Meeting.

The link to use on the day is below:

<https://meet.google.com/wyg-puyd-vry>

The code is wyg-puyd-vry

Please see notes on how to set up a Google Meeting.

As with any event the school needs to ensure the safeguarding of our children. Therefore there are a number of conditions that you must adhere and agree to:

- The worship should only be shared within the child's household (or by agreement a grandparent/s). It must not be broadcast to others outside of the school community e.g. in a workplace. This broadcast is only for Year 5 families.
- The broadcast must not be recorded or images taken.
- Although most children can fit into the picture we cannot guarantee that every child will be seen in a class.
- Parents must mute their microphones but can join us in video. Please avoid waving or doing anything distracting in the background.
- As with any technology we will endeavour to ensure you can gain access to the festival, however if you are late or not able to access due to a technical difficulty please do not phone the school.

By joining the worship virtually, it is assumed that you agree and will follow these conditions.

The school is endeavouring to try and provide its whole school community with many of the events that it pre-planned and sometimes are having to do it alternative ways. We will be doing this worship virtually and there may be teething problems and would appreciate your kindness and support.

I am excited about welcoming our parents and children together for the Year 5 Worship and I am confident from the hard work of the children and staff that it will be a lovely worship.

Yours sincerely

C Kelly
