17th September 2020

Dear Year 1 Parents

Thank you for your support over the last fortnight and I am pleased, at the time of writing, there have been no other positive test results in our Year 1 class.

As per the national guidance we recommended that your Year 1 child stayed at home and self-isolate for 14 days. As the last possible point of contact with the positive case was Friday 4th September 2020 the 14 days will be up and including Friday 18th September 2020.

We will therefore be welcoming back to school our Year 1 children on Monday 21st September 2020 with the same arrangements of staggered start and drop-off times, class bubbles etc as detailed in our return to school arrangements.

Please be reassured that the Year 1 classroom and other areas have been deep-cleaned in addition to the enhanced cleaning arrangements.

Although it may be natural curiosity to want to know who the positive case was, I ask you to respect the privacy of them and all our other families. Guidance makes it explicit that the school should not release this information and all of our school community should feel safe and secure in coming into our school.

Again, I thank you for all your support in this disruptive time.

Yours sincerely

C Kelly
