2nd September 2020

Dear Y4 Parents

Thank you very much for preparing your child for the return to school so well. They have been an absolute delight to have back and the school feels like a real school again. Thank you.

Drop-off time, break, lunch and the classroom organisation has worked well and again thank you for following the staggered start and pick-up times. They seemed to have worked smoothly. To clarify the arrangements for Year 4:

- Your child's drop-off is 8.45 am and pick-up is 3.30 pm.
- Please use the one-way system on exiting the school.
- We **do not** want school bags/book bags in school.
- Your child can bring in their reading book from home but it will remain in their personal desk space. They will have the opportunity to change their books in allocated library times. No other books or items should be brought in.
- No pencil cases or toys from home.
- Your child's PE days are **Tuesday** and **Thursday**. They should wear PE kits into school on these days.

It is really important that these measures and routines are followed consistently by the whole school to ensure we protect all our families and staff.

Finally, it truly has been a pleasure to welcome all of the children back. The energy and brightness that the children bring has been really rewarding.

Thank you for your continued support.

Yours sincerely

C Kelly
