

FOBS NEWSLETTER

As the school year comes to an end we would like to thank all the families of the school for the support of our events throughout the year.

The children have enjoyed discos, film nights and some delicious cakes. A big thank you to all our bakers for their delicious contributions.

FOBS also introduced a coin challenge this year which showcased some great creativity from the children; we are hoping to make this an annual event, perhaps with a new theme each year.

And let's not forget the fun that was had at the Christmas Bazaar.

Money raised during the year was used to purchase bibles for the Year R children, help fund some school trips and pay for the pantomime.....FOBS will also be making a contribution towards the MUGA (multi-use games area) that the school plans to build.

We want to thank Mr Kelly and the staff for all their help with the various events.

Finally, and by no means least, FOBS will be saying goodbye to 2 members as their children leave to go to secondary school. A big thank you to Helen Lamey and Shelley Watson for all their ideas, time and effort put into FOBS.

We are looking forward to the new school year and have some exciting new events to launch as well as making some changes to the usual ones; such as the cake sales, which will now be held twice a year and will also be a house competition.....further details will be made available about this and other events in our first newsletter of the new school year.
