7th July 2020

Dear Parents and Carers

I hope I find you all safe and well.

Again I wanted to thank you all for the support over the last few months. It has been hugely rewarding to welcome more and more children back to school and to feel the energy and joy that the children bring to our school community. This has been down to us all working as a team and I am immensely grateful for how much easier and successful you have made it.

As we near the end of term I wanted to update you about the planned Staff Development Days to be held on 20th – 22nd July 2020. The current children's (Years R, 1, 6, Key Workers and Vulnerable Children) last day will be Friday 17th July 2020 and we will be finishing at our staggered end of day timings. Although it is not quite the end of year that we planned and anticipated, we will make it fun and the children can come in non-school uniform for this day.

We will be using the planned Staff Development Days for transition sessions for our Years 2 – 5 children to work with their new class teachers and TAs and to prepare to open more widely in September. We will be doing transition activities with our Years R and 1 children over the course of the next week so therefore they are not due to be in.

There will also be no Key Worker groups on these dates but these children will be able to join their year groups for the transition sessions.

I will write before the end of term to update you about the arrangements for September and provide you with key dates.

Again, I would like to thank you for working in partnership with us to make a smooth return to school.

Yours sincerely

C Kelly
