Dear Parents and Carers

We hope that you and your family are keeping well.

As you will be aware children returned on Monday 1st June to school in Reception, Year 1 and Year 6. The school set clear principles for safely re-opening. We want to ensure that the children returned to the classrooms that they are familiar with, with teaching staff that they have a relationship with and that they ultimately feel safe and secure. We are also mindful that we wanted to ensure we protect staff members and therefore we are able to staff the school in smaller teams.

We initially set two week windows and are now looking at the last **three weeks** of term (Monday 29th June to Friday 17th July). If you have now **changed your mind** about wanting your child to return, we would ask you to update us using the form below. Please only update if you **would like** your child to return and complete by midday on Tuesday 23rd June. If you do not complete the form we may not be able to accept your child.

Once we have a confirmed number of children intending to return to school from Monday 29th June, we will inform you of which model we will be using. As numbers are high in other teaching groups it is likely we will be going to Model B, a rota system as described in previous letters.

We hope you remain safe and well.

Yours sincerely

C Kelly
