Dear Parents and Carers

We hope that you and your family are keeping well.

As you will be aware, some children returned to school on Monday 1st June across the three year groups. The school set clear principles for safely re-opening. We want to ensure that the children return to the classrooms that they are familiar with, with teaching staff that they have a relationship with and that they ultimately feel safe and secure. We also are mindful that we wanted to ensure we protect staff members and therefore we are able to staff the school in smaller teams.

We did initially set a two week window to start with and are now looking at the next two weeks (Monday 15th June to Friday 26th June). If you have now **changed your mind** about wanting your child to return, we would ask you to update us using the form below. Please only update if you **would like** your child to return and complete by midday on Tuesday 9th June. If you do not complete the form we may not be able to accept your child.

Once we have a confirmed number of children intending to return to school from Monday 15th June we will inform you of which model we will be using. Please remember if numbers go above 15 in a teaching group it is likely we will be going to Model B, a rota system as described in previous letters.

We will continue to keep you informed as and when the government releases more information for schools and would like to sincerely thank you for all your support in this difficult time.

With warm wishes to you and your family.

Yours sincerely

C Kelly
