Dear Parents and Carers

I hope you and your families are well and you are able to enjoy some of the beautiful weather together safely.

I also hope the home learning is going well. I am sure you are doing an amazing job and I thank you for trying some of the activities set. I would also like to thank all of the staff that have worked to put together the learning opportunities. From personal experience, home learning is teaching like no other I have experienced before and I reiterate the last thing we want is for these activities to become a battle that you have with your child(ren) each day or week.

We are also aware that some of our families may have a significant change in circumstance e.g. being made redundant or now in receipt of benefits that they had not received before. It may be now that you are eligible for Free School Meals (FSM). The school is providing supermarket vouchers to cover some of the cost of school meals and are hand delivering these to families. If you have had a change of circumstance and you think you may be eligible we can easily check and then issue vouchers. Please either contact me (headteacher@bapchild.kent.sch.uk) or Sue Foreman (office@bapchild.kent.sch.uk) in strictest confidence and we will get back to you.

We do also still have pastoral support available to our families and we can easily phone you if you have any well-being or welfare concerns for you or your family. If you do have any safeguarding concerns, please do not hesitate to contact me on my school email address headteacher@bapchild.kent.sch.uk and we will contact you back.

From all of the staff - we are all missing the children and families are cannot wait until we are all back together. We wish you all the very best, stay safe and please keep in contact.

Yours sincerely

Mr C Kelly
