5 March 2020

Dear Parents/Carers

On your marks... get set... GO!

Next week is Sport Relief and we will be celebrating all things active!

Through the week, each class will complete a set of movements to see who really is Bapchild's fittest! These activities will be suited for both Key Stage 1 and 2 and will include activities measuring speed, agility and their ability to keep their cool under pressure!

At lunchtimes, (weather permitting!) Mr Affonso will be holding inter-class tournaments to bring the competitive side out of the children.

Across the week, we will be looking for children who may not be the best sportspeople, but can rise to the challenge and underpin the school values of showing compassion and trust to support their peers and teammates. In Friday's worship, we will be celebrating these pupils by completing a mini-Sports Personality of the Week award!

And finally, on Friday 13 March, along with other schools taking part across the country, we will be allowing the children to come into school in sports kit! Please ensure the children are appropriately dressed for this and that they have layers to keep warm and dry. We will be asking kindly for donations for this to go towards Sport Relief. Sport Relief is an exceptional opportunity for our children to get active along with supporting vulnerable children across the country simultaneously.

We really hope this can be a week where our children can be active in new ways and see the benefits of physical activity on their physical and mental well-being.

Yours sincerely

Miss Horton
