6th January 2010

Dear Parents and Carers

I hope you all had a restful and fun break. It has been lovely to see the children return to school and hear about their festivities but also to see them settle into their classes with great enthusiasm.

Over the holidays we had a case of chickenpox. We have two pupils receiving medical treatment for cancer which puts them at risk if they are exposed to measles, chickenpox or shingles.

Please let us know immediately if your child is suspected of having chickenpox or if there is shingles in your household. The health and wellbeing of all our children and those with increased risk does depend on the co-operation of all our parents and school community and we hope you can help us.

Later this week you will start to receive letters for clubs and arrangements for Terms 3 and 4. Please ensure that you check your child's book bag or the website regularly for letters as we do endeavour to ensure communication is clear and timely.

Yours sincerely

Mr C Kelly
Headteacher
