

Dear Children, Parents and Friends,

This year for Harvest we will be raising money to 'Send a Cow' to a family in Africa. We know that with your generosity over the next 6 months we can raise the £650 towards buying a dairy cow for a family.

A cow makes a huge difference to a family. One cow can produce over 3,000 litres of milk a year and is a vital source of income and nutrition for families.

We will be gathering for our Harvest Festival at St Laurence Church on Wednesday 9th October

- 9.30 am – Reception, Years 2, 4 and 6
- 11.00 am – Years 1, 3 and 5

A donation of a £1 or more would be a great way of starting our fundraising and we will be collecting this tomorrow.

Yours sincerely,

Mr Kelly

'I thank God such suffering is in the past; with my gifts of knowledge, skills and a dairy cow, I do not see myself drifting into such a horrible life.'

Ruth, Kenya
