9th September 2019

Dear Parents and Carers

It was wonderful to welcome you all on Friday and I hope you all had a restful and fun weekend and summer break.

It has been lovely to see the children join us in their reception class and see them settle into their new class with great enthusiasm.

We will see many of you in the afternoons over the coming week for your appointments with Mrs Coffey and Mrs Daly. I would urge you to try and attend these as they are vital for a smooth transition for you and your child.

We also must also ask for your support. We have two children who are joining the school and are receiving medical treatment for cancer. Their treatment can put them at a higher risk of catching infectious illnesses. To reduce the risk, we would ask you to ensure that you inform the office/class teacher promptly if your child has an outbreak of chicken-pox, measles or other infectious illnesses. We would also like to remind you that after any outbreak of sickness or diarrhoea, children need to be 48 hours clear. The health and wellbeing of our children who are at increased risk does depend on the co-operation of all our parents and school community and we hope you can help us.

Over the next few weeks you will start to receive letters for arrangements for the year. Please ensure that you check your child's book bag or the website regularly for letters as we do endeavour to ensure communication is clear and timely.

I hope you have a lovely week and look forward to getting to know you even better.

Yours sincerely

Mr C Kelly
Headteacher
