Dear Parents

On-Line Safety

Year 6 have had a morning of activities relating to on-line safety today.

Our survey showed that a number of children do not know how to change their privacy settings on social media or gaming accounts (if they use them). There were also a significant number of children who did not know how to restrict who could see or change their photos.

We have asked them to look into this, although it may be that they need your support in figuring it out!

Many thanks

Mrs Gambell
