Dear Parents/Carers,

RE: World Awareness Week 20th-24th May 2019

The theme of this year's World Awareness Week is, 'Connected Community'. We will be learning about how we are all connected within our school community, as part of a greater society and world population.

We are a diverse community of learners and would like to celebrate this by inviting in parents and extended family members to share experiences of cultures originating outside of the UK.

If you are able to spare some time during *World Awareness Week* leading or supporting a learning activity please complete the form below and return to the school office by Friday 5th April 2019. I will then be in contact to discuss plans for the week in further detail.

Many thanks for your support.

Yours sincerely,

Mrs L Sawyer
Assistant Headteacher
