10th January 2019

Dear Year 6 Parents,

I have managed to arrange two separate Bikeability courses in Monday 28th January and Tuesday 29th January 2019 and Monday 4th February and Tuesday 5th February 2019. Bikeability is a cycling training programme that gives the children the opportunity to gain practical skills and understanding of how to cycle on today's roads. It's about gaining skills and confidence for all kinds of cycling.

Each group will have a maximum group size of 12 students and it would be a 2 day course to cover Bikeability Level 1 (playground) and Level 2 (local roads). The course would be run by two qualified instructors over 2 days and riders will be awarded with a certificate and badge for their appropriate level. Every rider will require their own cycle helmet and bicycle before being able to take part in the course. There will be a cost per student of £10.

If you are interested in your child taking part in the programme please complete the form below, attached consent form and medical information. Please could you return it to us no later than Friday 18th January 2019. **If there are more than 24 children, we will draw names in a ballot for fairness.**

If you have any questions please do not hesitate to ask.

Yours sincerely

Mr C Kelly
Headteacher

Bapchild & Tonge CE (Aided) Primary School **Year 6 Bikeability Course - 2019**

I wish for my child to take part in the Bikeability Course

I enclose £10 to cover the cost of the training
(Please make cheques payable to your school and return to the school office)
