18 September 2018

Dear Parents and Carers

Further to my letter on 4th September welcoming everyone back, I am pleased to write to you to update you about the replacement of our Years 5 and 6 mobiles.

I can now confirm that the replacement of mobile buildings will begin on Monday 24th September with preparatory grounds work. We expect the contractors to begin to create an access gate, temporary pathway, erect safety fencing in the first week with the removal of the two current mobile buildings towards the end of the first week.

As temporary access will be at the top of Ashtead Drive, we will not be opening the top gate in the morning or afternoon. We would therefore ask you not to park around the top gate at pick up and drop off time. Most of the field will remain usable; however, please be extra vigilant at drop off and pick up times when you as parents and carers are responsible.

We are relocating the Years 5 and 6 classes whilst the work is going on. Year 5 will be moving into the new staffroom which will be converted to a classroom and when Year 6 return from the Isle of Wight they will be housed in the Hall. This does mean that we will be slightly changing the times of our lunchtime for all our children to 12.00 and worship will be in classroom or the Church.

We are very excited about the new building and have been working hard to ensure there is minimal disruption to the classes and school. We expect the work to be concluded by the end of October.

I will also be creating a page on the website where you and the children can see photos of the work progressing and we will be using some of the building work as projects and learning.

Please do not hesitate to contact me if you have any questions or queries.

Yours sincerely

Mr C Kelly
Headteacher
