Year 2 Term 5 Week 1

Message from the class teacher

Hi Year 2. I have been thinking about you all a lot and missing your lovely faces. I hope you had a lovely Easter with your families. Not too many chocolate eggs I hope!! I have been spending time with my boys in the garden, enjoying the lovely weather. My youngest boy Arthur turned 8 last week so we had our first lockdown birthday with garden games, video calls and lots of cake. We have planned some nice activities for you to get Term 5 started. I hope you enjoy them, Love Mrs Clark.

Hello Year 2! I hope you are all ok and missing us just as much as we are missing you! It has been lovely having some sunshine over the Easter weekend. My two children Ronnie and Teddy enjoyed getting in the paddling pool even though the water was freezing! We have spent a lot of time in the garden and going on long walks. We have kept in contact with our family through many face time calls. We are also doing lots of arts and crafts that we enjoy putting up at our window for our neighbours to see to keep everybody smiling. Mrs Bradley sends a big hug to you all. Take care and stay safe! Love Mrs Unsworth.

Reading

Hopefully you have access to books at home, but we have sent home extra books with your child.

Accelerated Reading

Home quizzing is not always recommended but in this case we have adjusted the settings to allow quizzing to happen at home.

If your child wants to read a book from home, please check that there is a quiz available for the book and that the book level (BL) is within or near to your child's reading range. Also take note of the quiz number for future reference.

To check books please visit: <https://www.arbookfind.co.uk/>

The Gruffalo

Donaldson, Julia

AR Quiz No. 203199 EN Fiction

☐ IL: LY - BL: 2.3 - AR Pts: 0.5

☐ AR Quiz Types: RP, RV, VP

Go to the next page
for how to quiz.

AR quizzing at home.

To log into AR to take a quiz please visit: <https://ukhosted27.renlearn.co.uk/2240835/>

Click on
Accelerated
reader.

Your child should know what to do from here and should know their login details. If they are not aware, most details are written in their reading record.

Type in the
name the
book or the
quiz number.

We advise students complete quizzes unaided. If parents/carers wish to support their child, they can do so in the following ways:

- Discuss the book with your child as the book is being read
- Ask your child to read the question out loud
- Re-word questions for your child, if necessary
- Ask your child which answers are **not** correct

Visit <http://readon.myon.co.uk>

Life is Better When We Read Together

Schools may be closing, but reading doesn't have to stop. To help support teachers, students and parents to **'Keep the UK and Ireland reading'**, we are offering access to thousands of enhanced digital books through myON and articles from myON News.

Start reading! →

Learn more

myON links with both Star Reading and Accelerated Reader quizzes, and offers practical literacy tools and supports through myON Projects. To learn more about the benefits of full access to myON and five daily news articles from myON News, call us on +44 (0)20 7184 4040, email answers@renlearn.co.uk or visit: renlearn.co.uk/myON.

Learn more about myON and myON News

Choose an area that interests you or use the search option.

The screenshot shows the myON by Renaissance website interface. At the top, there is a navigation bar with links for myON by Renaissance, Library, News, Projects, and Read Together. Below this is a search bar with a magnifying glass icon and the word "Search". A red arrow points to the search bar. Below the search bar is a section titled "Browse Books By Category". A green bar indicates "7,102 books". Below this, there are several category tiles. A red arrow points to the "Animals" category tile. The categories and their book counts are:

Category	Book Count
About Me	1,865 books
Animals	1,216 books
Genres	3,759 books
Hobbies & How To	330 books
Literacy Skills	325 books

Using My Maths

Children should know their way round My Maths but here are some reminders on how access the lessons. Visit: www.mymaths.co.uk

Using My Maths

The image shows the 'My Maths' website interface. The top navigation bar includes a logo, 'Log out', 'Help', 'Assessment Manager', and a 'Search...' input field. The left sidebar, titled 'Select Curriculum', has a dropdown menu set to 'National Curriculum (Eng)'. Below this is a 'Library' section with a list of topics: 'Latest', 'Number', 'Measurement', 'Geometry', 'Statistics', 'Booster packs', and 'fSkills'. The 'Latest' section is highlighted. The main content area, titled 'Latest', shows a list of resources under the heading 'KS2 SATs booster'. The first resource is 'Y6 Arithmetic assessment 1', which includes a 'Worksheet' button. Below this are links for 'Y6 Arithmetic assessment 2', 'Y6 Mixed assessment 1', 'Y6 Mixed assessment 2', and 'Y6 Mixed assessment 3'. A red arrow points from the 'Search...' field to the 'Y6 Arithmetic assessment 1' resource. Another red arrow points from the 'Measurement' topic in the sidebar to the 'Y6 Arithmetic assessment 1' resource. A third red arrow points from the 'Y6 Arithmetic assessment 1' resource to the 'Y6 Arithmetic assessment 2' resource. A fourth red arrow points from the 'Y6 Arithmetic assessment 1' resource to the 'Y6 Mixed assessment 1' resource. A fifth red arrow points from the 'Y6 Arithmetic assessment 1' resource to the 'Y6 Mixed assessment 2' resource. A sixth red arrow points from the 'Y6 Arithmetic assessment 1' resource to the 'Y6 Mixed assessment 3' resource. A login overlay is shown on the right side of the screen. It has a dark blue background with a green border. It contains two input fields: 'My portal username' and 'My portal password'. Below the password field is a green 'Log in' button. A red arrow points from the 'Log in' button to the 'Assessment Manager log in' link at the bottom of the overlay.

Access any lesson based on what your child is learning in class or search the topic in the search bar.

Use the login portal to access specific homework and lessons that your teacher has set.

Maths – White Rose Home Learning

In school we follow the White Rose scheme of learning. Their website has put together free lessons and resources that link to the learning taking place in school. Please visit:

<https://whiterosemaths.com/homelearning/>

White Rose Maths Resources Professional Development **Home Learning** Who We Are News

Home Learning

Hello there, Parents and Carers!

As schools worldwide close for now in response to COVID-19, you might be wondering how best to help your child or children with their studies at home.

Always happy to help, the White Rose Maths Team has prepared a series of five brand new maths lessons for each year group from Years 1-8. Every lesson comes with a short video showing you clearly and simply how to help your child to complete the activity successfully.

TT Rockstars

To access TT Rockstars please visit:

<https://play.ttrockstars.com/auth/school>

Start typing
in the school
name or the
post code
(ME99NL)

Pupils type in their username and password,
usually written in their reading record.
Pupils can practice all tables but Year 2 should be
practicing 2, 5, and 10's
Year 3: 2,5,10,3,4,8's
Year 4,5,6: all tables

Accessing Twinkl

Many educational content providers are offering free access to their resources. Twinkl is a website that we use from time to time to resource our lessons to aid in teacher input and pupil activities.

We will be able to direct you towards activities and learning via this website based on lessons that may be missed due to absence. To access Twinkl please visit:

www.twinkl.co.uk/offer

You will have to sign up and put in the offer code: **UKTWINKLHELPS**

The screenshot shows the Twinkl website interface. At the top, there is a blue header with the Twinkl logo, a search bar with the text 'Search 500,000+ resources', and links for 'Membership', 'Sign In', and 'Join'. Below the header, there is a navigation bar with links for 'Planning', 'Curriculum Aims', 'EYFS', 'KS1', 'KS2', 'KS3/4', 'SEND', 'EAL', and 'Create'. The main content area is divided into two columns. The left column is titled 'Already a member?' and contains a sign-in form with fields for 'Username or Email:' and 'Password:', an 'Offer Code' field, and a 'Subscribe now!' button. The right column is titled 'New to Twinkl?' and contains a sign-up form with fields for 'Email address:', 'Password:', 'Occupation:' (a dropdown menu), and 'Offer Code', followed by a 'Signup & Subscribe now!' button. A red arrow points from the 'UKTWINKLHELPS' offer code in the text to the 'Offer Code' field in the 'New to Twinkl?' sign-up form.

English Learning

To kick off Term 5 we would like you to think about the Easter story. Please find below a link to a powerpoint telling the Easter story or use any book or resource you may have at home.

<https://www.twinkl.co.uk/resource/t-t-5074-the-easter-story-powerpoint>

Then you can re-tell the Easter story in any way you like. You could write it as a story, draw or collage it or maybe try a storyboard. Please find below a link to some blank story boards that you could fill in or you could create one of your own.

<https://www.twinkl.co.uk/resource/t-l-2162-storyboard-templates>

Alternatively you could write an Easter diary of the things you got up to over the Easter weekend.

Have fun and look out for more activities next week.

Maths Learning

This week we are going to start looking at the concept of telling the time. In year 2 by the end of the unit children are supposed to be able to tell the time to 5 minutes. For this weeks activity we would like to think about telling the time using the key vocabulary, o clock, half past, quarter to and quarter past.

Can the children record their daily schedule, thinking closely about what time they carry out each activity.

Fill in the clock faces to show what time you do each activity. Remember the minute hand is longer than the hour hand!
Write in the box below the time in words e.g. 'half past seven' or 'ten o'clock'. There is a free clock for an activity you do after school.

Wake up 	Have breakfast 	Go to school 	Have lunch 
Go home 	Have dinner 	 	Go to bed 

You can follow this example if you would like or you could make up your own including more detail.

As an extension can you convert the time shown on your analogue clock to the correct digital time?

Topic – Map skills

We would have started our topic by having a walk around Bapchild Village. We would have noticed many places have changed over the past few years and many more changes are taking place, for example, new houses are being built. The old mars bar shop and post office have now gone and there has been a housing estate built in the past 15 years.

Can you find Bapchild on google maps? Can you write down some key places that are in Bapchild? Eg. St Lawrence's church.

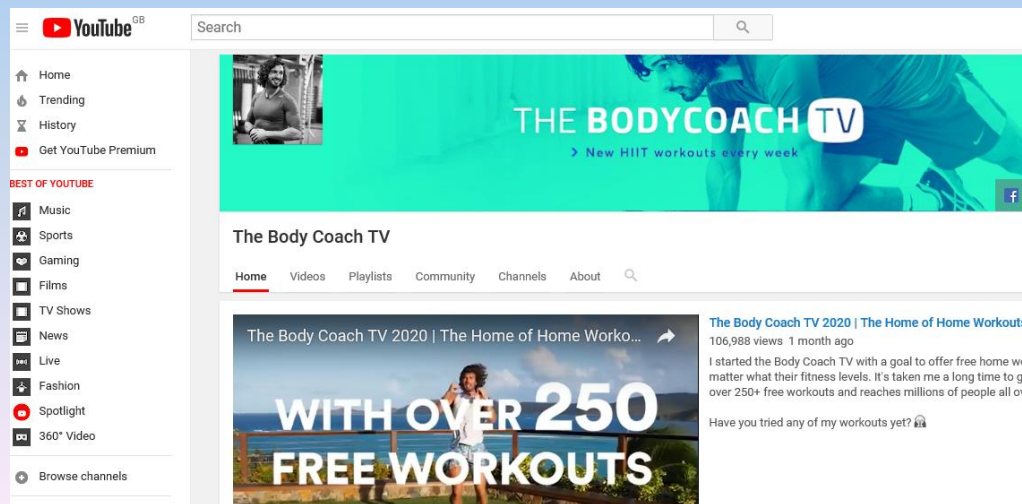

Could you then research your local area if that is not Bapchild. What key features do you have in your local area? Could you go on a walk to see these places you have found on google maps?

P.E.

It is important to keep your children active. If it is safe to do so, ensure they have some time outside throughout the day. Please visit **Joe Wicks** YouTube channel

(<https://www.youtube.com/channel/UCAxW1XT0iEJo0TYlRfn6rYQ>), which has lots of exercise videos for children. He will also be hosting a live P.E. lessons Monday to Friday at 9:00am.

Classroom Secrets

The site classroom secrets

<https://classroomsecrets.co.uk/free-home-learning-packs/> has free class packs which provide some great additional ideas and resources you can use.
